2) **Teachers feedback on curriculum**

How do you think is the design and completeness of the curriculum?

48 responses

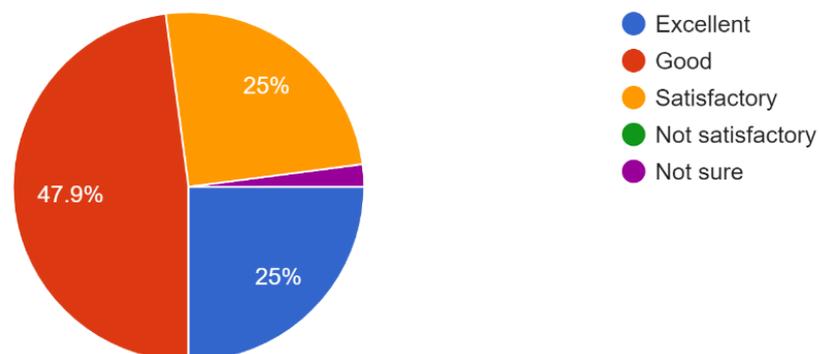

If not satisfactory please mention the reason .

- Inclusion of composite resin restoration in the field of Conservative dentistry and Endodontics
- I think it needs to be updated keeping in mind the recent trends.the current advances.
- to be updated regularly as per the current situation and discard the old outdated treatments in practical examinations
- Few application based areas should be increased
- Curriculum should have communication skills course

How is the curriculum to develop the technical knowledge and skills of the students?

48 responses

If not satisfactory ,mention the reason ?

How would you describe the programs conducted by the institute to address issues like gender equality, environment care, human values etc?

48 responses

How are the modern dental practices incorporated into the course?

48 responses

If not satisfactory please mention the reason .

- The examination scheme is archaic and inflexible, should allow for flexibility to allow evaluation of contemporary procedure skills.
- The curriculum needs to be updated regularly so that all advanced technics and practices can be included.

Do you think there should be any change in the design of the curriculum?

47 responses

If yes, please mention what changes you suggest

- students should be given more of hands on exposure
- Implementation of competency based teaching n learning
- Should be a flexible curriculum and more emphasis on recent advances
- Dental curriculum needs to be changed after pandemic in order to keep pace with changing dental settings all over the world. Which in future can be incorporated in curriculum itself.
- Advanced technology, research, etc
- Use of simulation techniques, modern equipments
- to be updated regularly as per the current situation and discard the old outdated treatments in practical examinations
- Recent Concepts Should be Focused more.
- Add application based concept at each level, SDL implementation, Annual exam pattern is better compared to current ones

3) Professionals feedback on curriculum

How do you rate the relevance of the course, to practical application?

22 responses

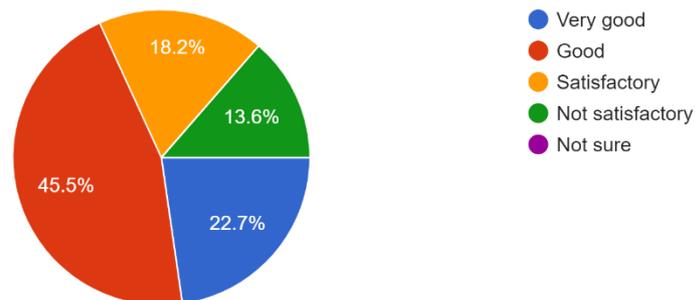

If not satisfactory, please mention the reason

- Implant should be include in final year course as basic treatment plan

How is the curriculum to develop the technical knowledge and skills in the students?

22 responses

If not satisfactory, please mention the reason

- Need to update with all recent advances of various instruments and equipment

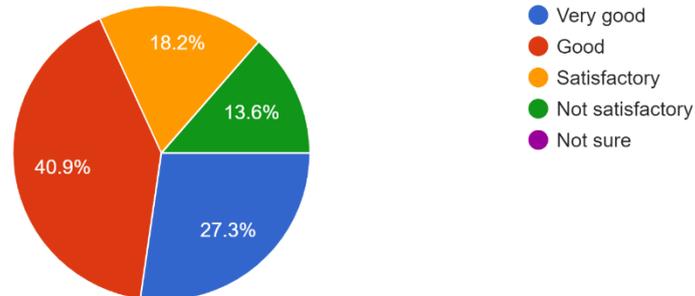

VIDYA SHIKSHAN PRASARAK MANDAL'S
DENTAL COLLEGE & RESEARCH CENTRE,

DIGDOH HILLS, HINGNA ROAD, •NAGPUR-440 019 (☎07104) 236290, (0712)321825 FAX☎0712) 232905,232905 07104-232904

The present curriculum inculcates human values, professional ethics and social responsibilities, how would you rate them?

22 responses

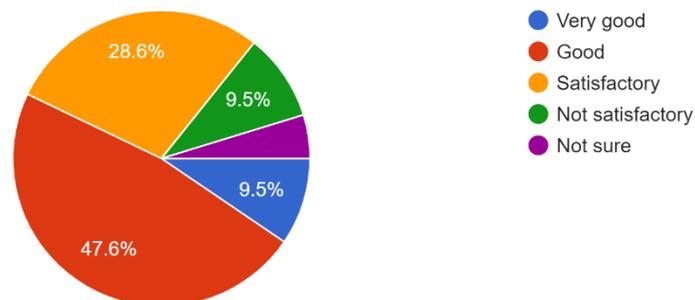

If not satisfactory, please mention the reason

- This area is least covered in clinical evaluation.

The course incorporates skills which are relevant to modern dental practices, how do you think they are?

21 responses

If not satisfactory, please mention the reason

- Use of Modern materials, implants, wands are still not taught
- More clinical experience should be given in final year as well as in internship aal year as well as in internship

DIGDOH HILLS, HINGNA ROAD, •NAGPUR-440 019 (☎07104) 236290, (0712)321825 FAX☎0712) 232905,232905 07104-232904

Is the curriculum in sync with the demographic health care needs

21 responses

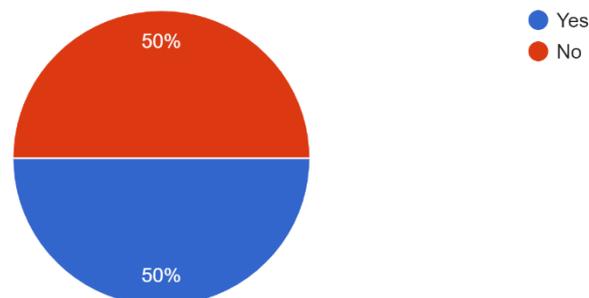

If No, pls mention which dental care needs to be catered

- Habit associated oral potentially malignant disorders & oral cancers, Fluorosis, plaque index, dental caries index, odontogenic cyst & tumors.
- Still a lot needs to be addressed for caries prevention
- Its an exam based curriculum not need based

Do you think there is need of some change in the curriculum?

22 responses

If yes, please mention what change you would like to suggest

- Incorporation of Problem based learning or case base learning. And subjects or topics such as patient psychology
- Social sciences should be a part for the socio-cultural development of students

VIDYA SHIKSHAN PRASARAK MANDAL'S
DENTAL COLLEGE & RESEARCH CENTRE,

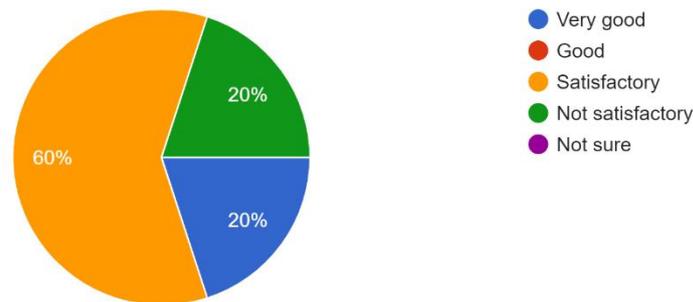

DIGDOH HILLS, HINGNA ROAD, •NAGPUR-440 019 (☎07104) 236290, (0712)321825 FAX☎0712) 232905,232905 07104-232904

- Early clinical exposure, practical examination should be more objective, patient & skill oriented.
- Incorporate value based and competency based education
- Students should do complete treatment of one patient rather than doing department wise posting appointment based treatment for different patients
- Preclinical work should be reduced till second year and more clinical experience should be given in remaining years
- Update the content of each subject in the course. Incorporation of digital and AI application is very important.
- Implant dentistry should includes as primary dentistry and must add in syllabus

4) Employers feedback on curriculum

How do you rate the relevance of the course, to practical application?

5 responses

If not satisfactory, please mention the reason

- Outdated techniques are taught, and the procedures which are actually used during clinical practices are not taught.
