

Vidya Shikshan Prasarak Mandal's Dental College & Research Centre

**ANNUAL
REPORT
2021-22**

CHAIRMAN'S MESSAGE

Welcome to Vidya Shikshan Prasarak Mandal VSPM Dental College & Research centre, an institute that prepares the new generation students for the roles that will show way to the profession of dental care to serve the mankind in a ethical manner.

Pioneers in the field of Medical and Dental Education since three decades, VSPM organization is committed to the cause of education and up gradation of educational technology. This annual report is testimony to the authentic summarization of the project executed for up gradation of this institute year after year, I am happy to learn that it encompasses excellence of patient care and academic research.

I am proud that the staff and the students have worked impressively to be a leader in the field of Dental Education and Research.

I compliment the Editor and the members of Editorial team of Annual Report Committee for bringing out this concise document of the institute.

Shri Ranjeetbabu Deshmukh

Chairman

VSPM AHE, Nagpur

WORKING CHAIRMAN'S MESSAGE

I being a part of management and part of this prestigious institute i am proud to contribute building tomorrow's Doctors, Teachers, Leaders, Researchers and Scholars. It is honour me to serve as Working Chairman of VSPM and to get the opportunity to work for future development of this institute.

There is great vibrancy amongst our students, faculty and staff as is demonstrated by their development in research, teaching and service- Both nationally and internationally. VSPM has given full service in difficult Covid-19 period as a doctors as well as teacher by taking lecture with an advance technology. It feels proud that college had progressed and upgrade itself so well. One more feather to the college, under the guidance of Dr. Usha Radke that VSPM is NAAC accredited college now. I am overwhelmed by all the staff efforts to make this happen.

I am very happy when i look back to the developing years of this college today when the college has attained new heights and still striving to achieve excellence in various fields. I appreciate the guidance of Dean Dr. Radke, under whom the achievements of various fields and research was possible.

I congratulate the entire Editorial team for their efforts in publishing this concise annual report magazine.

Dr. Ashish Deshmukh

Working Chairman

VSPM AHE, Nagpur

FOUNDER'S MESSAGE

As the founder of VSPMDCRC it gives me immense pleasure to see the progress that this college has made on the path of excellence in dental education and patient care. The past 2 years has been tough for everyone and especially for the doctors who has provided excellence service in COVID-19 time, humbly and patiently. They have upheld the motto of giving back to the society that nurtured them.

I congratulate the management, Dean and the staff for their efforts that is now NAAC accredited college and also for having achieved accolades in all facets of academics, specialized patient care and research.

I congratulate the entire editorial team for publishing this Annual Report of VSPM DCRC for the year 2021-22 and extend best wishes to all.

Shri Bhausahab Bhoge

Founder VSPM AHE

Nagpur

SECRETARY'S MESSAGE

In this silver jubilee year which has been productive for us all in every activities. I extend my hearty congratulations to the Dean Dr. Usha Radke maam and all the staff members who made it possible to get college NAAC accredited. It is our mission to serve unprivileged of the society, to take care of their oral health which is our treatment. We have been fortunate to have dedicated staff and talented UG and PG students who have given so much progress to this institution.

This years' annual report shares the college activities for the past year and highlights the efforts undertaken to enhance and advance – striving to achieve excellence.

Last but not the least; I thank all the members of the editorial team for their effort to compile all the facts to prepare this document.

Shri Yuvraj Chalkhor
Secretary

DEAN'S MESSAGE

VSPMDCRC was started with a commitment to accomplish the premier benchmark for quality dental learning and oral healthcare to inculcate compassion immaculate proficient ethics, scientific temper and aptitude. The mission and vision of VSPMDCRC is dynamically reinforced by the management and dedicated faculty of the institution.

As I look back in year 2021 i.e.. post covid-19 period, it gives me immense pleasure to see this accomplishment and achievement in form of various activities of the year through this annual report compilation. This report clearly exhibit that the college has undergone immense development after passing period of covid-19 from the day of its inception. It is one of the sought-after colleges for Undergraduate and Postgraduate courses because of its dedicated faculty, well equipped departments and clinics and the adaptive curriculum that incorporates the advance treatment option for the patients. A plethora of hands-on experience with patients prepares our students for the challenges that lie ahead in their life.

This year vision of VSPM is to more focus on Research from staff as well as students and also upgrading the college by bringing CBCT machine and CAD-CAM Technology.

It feels immense pleasure to announce that VSPMDCRC is now NAAC Accredited college. I would like to acknowledge and express gratitude towards Honorable chairman VSPMAHE Shri Ranjeetbabu Deshmukh, Working Chairman Dr. Ashish Deshmukh and Secretary Shri Yuvraj Chalkhor for their whole hearted support in all our endeavours. This collective mindset of continuous improvement pays us huge dividend in terms of college evolution and student success.

I congratulate the entire editorial team for publishing this Annual Report of VSPM DCRC.

Dr. Usha Radke

Dean

VSPM DCRC Nagpur

ADMINISTRATIVE VICE DEAN'S MESSAGE

I am besides joy when I pen these lines on the momentous occasion of silver jubilee year of the college. The eventful 25 years have seen many ups and very few downs. One of the high points in the college was the NAAC accreditation where we secured B+ grade under the new stringent rating system. This is the testimony of the hard work put in by the staff and the students.

The students of the college both UGs and PGs did very well despite the trying times of COVID-19. The post graduates of the college did a yeoman service to the society by working in covid affected areas in the city. The college strives to provide state of the art facilities such as LASERS and piezoelectric systems. This would aid the students and staff to deliver quality healthcare to the socio-economically deprived patients that visit the college. This is the policy that has been envisioned by our management led by Shri. Ranjeet Deshmukh and Shri. Ashish Deshmukh. The college would not rest on its laurels and the staff and students have pledged to take the institute to greater heights

S. R. Shenoi

Vice Dean,
VSPM DCRC Nagpur

CLINICAL VICE DEAN'S MESSAGE

The Faculty of VSPM's Dental College and Research Center, Nagpur, always strive to achieve excellence in academics and other co-curricular activities. We are proud to report the achievements of our faculty members and students for the Academic year 2021-2022. I would like to begin by congratulating the Faculty, Staff and Students for their priceless efforts and co-operation in bringing the institution at its present position and status. We were assessed to be one of the best colleges of MUHS by the NAAC Peer Team and were awarded grade B+. The year has been a glorious one in which different societies and clubs of the institute have organized number of events successfully and performed brilliantly at all levels. We look forward to similar unconditional support and commitment from everyone in the coming years also.

I take this opportunity to thank and congratulate all the committee members for all the efforts taken to bring out this annual report for 2021-2022.

Dr. Mukta Motwani
2nd Vice Dean
VSPM DCRC

FROM THE EDITOR'S DESK

Message from the editor's desk

It is my privilege to once again publish the annual report of VSPM'S Dental College and Research Centre, Nagpur. This annual report is a compilation, highlighting activities and achievements ranging from academics, administrative to extra curricular having taken place in the past year.

The past year has seen a dramatic shift in academic, clinical as well as administrative methodologies. This annual report is a testimony to the changing times and the adaptable and unrelinquishing attitude of our staff and students.

I take this opportunity to thank each and every one of those who have contributed in any manner to make this report a grand success.

Dr. Usha Shenoy
Editor,

Vidya Shikshan Prasarak Mandal's Dental College & Research Centre

17.	Mr. Eknath choudhary	C.E.O	VSPM AHE	Member (Management)
18.	Mrs. Kadambari Sehgal	Librarian	--	Member

The IQAC committee held meetings with various other committees of the institute namely, patient care committee, BORS committee, students council, Alumni association, WEB and LAN committee and many others during the year 21-22. In these meetings various agendas were discussed, mainly those related to NAAC inspection. Preparation of documents for NAAC inspection by various criteria

heads was monitored and checked by IQAC members for their accuracy and completeness. The first NAAC inspection was successfully carried out during this tenure in September 2021. The institution was granted with a B+ grade.

The IQAC took efforts to analyse the NAAC report and segregated criteria according to the score allotted. The IQAC then conducted meetings with various criteria in charges to discuss the points which needed improvement and decided on the plan of action.

The preparation for documents related to the AQAR was done and submitted the AQAR for the year 20-21.

The committee organized two programs; one of which was organized in association with BORS committee on 16th July 2021. The title of the program was 'Innovation and Academia: Nurturing the ecosystem'. The speaker for the webinar was Dr. Punit Fulzele and he elaborated upon various aspects that are needed for overall growth of research in an educational institute.

Another webinar was organized by the IQAC on 25th February 2022 on the topic 'National education policy-Implications for dental institutions'. The speaker for the event was Dr. Pushpanjali K.

The committee is promptly working towards the overall quality improvement of the institute and holistic development of the staff and students.

COLLEGE COUNCIL

Chairperson	Dr. Usha Radke , Dean, VSPM's DCRC, Nagpur
Member Secretary	Dr. Usha Shenoy, HOD, Orthodontics
Members	All HODs and Senior Professors
	Mr. Chetan Deshmukh, AO
	Members of Civil, Electrical, Store, Accounts Section, Student Section.
Frequency	Monthly

Smooth working of the college is ensured by monthly meeting of the College council. Members of college council committee along with the Dean ,formulate policies to ensure effective functioning and ensure improvement in the activities of the college. Important issues pertaining to Undergraduate, Postgraduate education, and Phd training, exam schedules, student performance and results as well as attendance are discussed along with measures to improve the same. In addition feedback from students regarding teaching/ learning is also discussed. Any issues coming up in the mentorship program are discussed.

Scientific activities such as publications, presentations and grants procured along with other achievements by faculty and students were lauded in these meetings and more such activities were encouraged. The college successfully got NAAC accreditation in the month of September 2021.

The monthly revenue and expenditure, civil, electrical and store issues were discussed and resolved.

Administrative issues of departments and college were also discussed. Grievances if any such as regarding salaries, appointments and promotions were discussed and forwarded to the management for appropriate measures. Activities of other committees were reviewed in the college council meetings.

RESEARCH REVIEW BOARD / RESEARCH ADVISORY COMMITTEE

Designation	Name of Member	
Chairperson	Dr. Abhay Kolte	HOD Department of Periodontics & Implantology
Co-Chairperson	Dr. Mukta Motwani	HOD Department of Oral Medicine, Diagnosis and Radiology
Member Secretary	Dr. Vrushali Lathiya	Senior Lecturer Department of Periodontics & Implantology
Member	Dr. Saeesh Deshpande	Reader Department of Periodontics & Implantology
Member	Dr. Kavita Hotwani	Senior Lecturer Department of Pediatric and Preventive Dentistry.
Member	Dr. Pranjali Bawankar	Senior Lecturer Department of Periodontics & Implantology

The institution believes in a philosophy that research is not an imperative but a need; it also understands its role in catering to the appropriate environment for conduction of qualitative research. Various factors may restrain an individual from getting involved in the research. One of the major factors for lack of indulgence in research can be the financial expenses that the researcher needs to bear for the conduction of research. The address of this financial factor by the institute can encourage individuals towards engagement in research activities.

To encourage and advocate scientific thinking in graduate, postgraduate students including teaching staff members of the institution through financial support, arousing the interest and impelling the research activities in the institute. Five years ago i.e. in 2016 the college management and administration perused on the need for research in the institute and the means and modalities were decided in the form of Research Policy which was prepared and implemented from January 2017. The policy included various research incentives for publication of research articles (In PubMed indexed/Non indexed journals), providing paid leave to attend conferences (National as well as International), reimbursement of conference registration fees and travel expenses and research grants to conduct research work within the institute. Initially, a sum of Rupees Seven lakhs was allocated as a budget for research activities. With the desired motivation which was provided by this research policy, there was an increase in the research activities conducted by the faculty members, Postgraduate students, and undergraduate students. Considering the enthusiasm amongst the faculty members the management of the institute was generous enough to increase the grants to rupees Ten lakhs in the subsequent year.

The proposals of research activities are submitted to the Research Committee/ Board of Research Studies of the institute which scrutinizes all the applications and their validity as per the guidelines of the research policy. The committee of experts analyses the research protocols for the validity and practicality of the project. Appropriate funds are allocated to the qualifying research projects. The amount which is sanctioned is transferred to the bank account of the principal investigator. Funds

are transferred in parts. After every 6-month principal investigator is asked to submit a progress report to the committee, which also includes the details of expenses according to the various heads. After its analysis remaining amount is released. This ensures the check on the utilization of funds and proper conduction of research.

The outcome of the research policy of VSPMDCRC

The success of the research policy is indeed shown by the number of applications every year.

Year	Approved Applications For Publication Grant	Approved Applications For Research Grants	Approved Applications For Conference Registration And Related Expenses	Total Amount of grants disbursed (in Rupees)
2016	-	-	National -14 International - 04 Total - Rs. 2,92,662	Rs. 2,92,662/-

World Sports Day: Student council conducted an inter-batch Volleyball Tournament on 28th and 29th august 2021.

UNDER GRADUATE CELL

Sr. No	Name of Staff	Designation	Member
1	Dr. Alka Dive	Professor & HOD, Oral pathology	Chairperson
2	Dr. Jaya Joshi	Associate Professor, Prosthodontics	Co-Chairperson
3	Dr. Samidha Pande	Sr.Lecturer, Prosthodontics	Member Secretary
4	Dr. Anita kahar	Lecturer, Prosthodontics	First year, B.D.S in-charge
5	Dr. Vidya Mokhade	Lecturer, Endodontics	Second year, B.D.S in-charge
6	Dr. Neena Dongre	Lecturer, Oral pathology	Third year, B.D.S in-charge
7	Dr. Purva Chaudhari	Associate Professor, Pediatric dentistry	Final year, B.D.S in-charge
8	Dr. Sangeeta Bhattacharya	Lecturer, Orthodontics	Final year, B.D.S in-charge

Students from all over India are admitted to VSPM's DCRC for the undergraduate courses through entrance exam. The college has 100 recognized undergraduate seats and is affiliated to the MUHS Nashik as per the DCI norms.

The undergraduate cell (UG cell) addresses the issues pertaining to the students. The examination committee, mentor cellwork in association with UG cell.

Undergraduate cell strives hard for the betterment of students' academic performances. Total 5 meetings were conducted over the period of last one year. All committee members were present for these meetings. Topics like performance of students, their quarterly attendance, extra classes for students with low attendance, time-table revision and examination schedule were discussed in these meetings

Due to pandemic situation the parent teacher meetings could not be held physically. Therefore marks and attendance of all the students were mailed to parents.

First year orientation program for batch admitted in 2021 was conducted on 20/04/2022. Lectures on various topics such as 'rules regulations', 'BDS curriculum' and 'mentorship' were conducted. Felicitation of all the toppers of I, II, III, and IV BDS years was done. They were presented e-certificates. White coat ceremony was conducted by mentorship cell.

A two day orientation program for third year students was conducted on 10/01/2022 and 11/01/2022. Various lectures on topics like professional ethics, communication skills, infection control and management of biomedical waste were conducted.

Ph. D. Cell

PhD Cell -2019-20

Chairperson	Dr. Pratima Sheno, Professor & HOD, Conservative Dentistry
Co-Chairperson	Dr. Vrinda Kolte, Professor, Oral Surgery
Member Secretary	Dr. Chetana Makade, Associate Professor, Conservative Dentistry
Members	Dr. Surekha Rathod, Professor, Periodontics Dr. Rajlaxmi Banerjee, Reader, Prosthodontics Dr. Ashish Bodhade, Reader, Oral Pathology

This committee formed in Oct 2017 as per MUHS guidelines to monitor proceedings of ph d course in the institute. VSPM dental College is the only college in India where Ph D courses are granted in 8 specialities of dentistry and also highest number of ph d fellows admitted. Scholars admitted in 2018 had appeared for Pre ph. d viva and completed their final dissertation and submitted to muhs for evaluation.

Orientation programme for scholars admitted in 2021-22 batch was organised in sept 21. Topics like sensitization towards Ph d course, sample size estimation, grant proposal writing etc were discussed

ph. d scholars admitted in 2021-22 batch presented their research synopsis in the month of may ph. d cell, BORS and IEC guided scholars for rectifying deficiencies in synopsis

Ph d cell organised 4 days online workshop “Tutelage on ph d thesis writing” from 13/10/2021. Dr Vinitha Pai, Director M Phil, Ph D , Yenepoya University was the speaker. Details regarding various aspects of ph d thesis writing were elaborated by the speaker

PG CELL

I am very pleased to let everyone know that the PGs gave the college a 100% result in the university exams in the year 2021. This batch of post graduates were involved in intense COVID duties , right from counselling, swab taking as well as hospital duties. With all this work they managed to get a very descent score in the university exam. The 2020 batch also cleared the 1st year exam with flying colors.

The PG- cell hosted many programs online and offline for the benefit of postgraduate in the past year. These programs are hosted to make the PGs competent in all walks of life. Many such programs would be hosted in the days to come for the holistic development of PGs.

The post graduates in many departments have done exceptional work in the field of research that must earned them many copyrights, research publications as well as in advanced stages of intellectual property right development.

STUDENT'S GRIEVANCE REDRESSAL COMMITTEE 2021-2022

According to the directives of MUHS, Nashik, the Student's Grievance Redressal Committee meets once every two months or as needed.

During the academic year 2021-22, the Student Grievance Redressal Committee held six meetings:

The first meeting was held on 26/07/2021, to review the redressal of student grievances in 2020-21, as well as concerns raised by interns and undergraduate students about basic necessities in the college. The responsibility was assigned to A.O. and student representatives, as well as the supervisor. It was also decided that students would now file their complaints through the ERP System.

The second meeting was held on 22/09/2021 to discuss the complaint submitted by Final BDS Students regarding the hall arrangement during the MUHS Final examination. This problem was immediately resolved by the Centre In-Charge.

Third meeting was conducted on 30/09/2021, to discuss a complaint made by Final BDS students about disturbances caused by construction work beneath C Hall during MUHS exams. The action was taken immediately by the Centre In-Charge.

Fourth meeting was held on 11/02/2022, to investigate an allegation made by two interns against teaching faculty at the Department of Public Health Dentistry. The matter was thoroughly discussed and written statements and proofs from faculty and interns were submitted to the Chairperson of the Students Grievance Redressal Committee and a warning letter was issued to the faculty from the Dean's office.

Fifth meeting was held on 21/03/2022, to follow up on previous grievances and a complaint by interns about theft in the Prosthodontics department. The problem was resolved in the department, and instructions were given to the sister and interns for further necessary action.

Sixth meeting was held on 08/06/2022. Complaint received against fellow hostel mate for unacceptable physical abuse. Members of the Hostel Committee and the Student Grievance Redressal Committee questioned the interns involved in this matter and an apology letter was submitted by the intern.

All academic and non-academic student grievances forwarded to the Student Grievance Committee in 2021-2022 were resolved successfully and on time. Following each meeting, a committee report is submitted to the Dean's office.

INTERN'S MONITORING COMMITTEE

The Intern's Monitoring Committee works at an advanced level to uphold the progressive work of interns, as per the MUHS/DCI rules and regulations under the guidance of Dr. Surekha Rathod (chairperson).

Vihasa: The program started with motivational words by the Dean, Dr. Usha Radke and Dr. Ramakrishna Shenoi. Different sessions on important topics were held during the program in a course of two days dated 10th & 11th January 2022. The workshop was conducted by Dr. Ulhas Ghotkar.

Guest Lecture by Dr. Jasmine Khedkar: Interns Monitoring committee along with Alumni Association organized a Virtual lecture on The Art Communication on 12th January 2022. The Speaker of the Lecture was Dr. Jasmine Khedkar who was alumni of VSPM DCRC, Nagpur.

Guest Lecture by Waqar Naqvi: Interns Monitoring Committee organized The Guest Lecture on 10th January 2022 for the interns. The Speaker for the Lecture was Waqar Naqvi, Director, Research Unit, VSPM. He addressed the interns on the topic "Importance of Clinical Research and Publications for Dentist."

Graduation Day: Graduation Ceremony was conducted on 7th January 2022. The Guest of Honor for the occasion was our Respected Dean, Dr. Usha Radke, who further acknowledged the achievements of the interns and also motivated the students for better future ahead.

Virtual Interns Orientation Program: Virtual Interns Orientation Program was organized by the Interns Monitoring Committee from 21/12/2021 to 9/1/2022 for the batch of 2017. All nine departments conducted various online Lectures guiding the interns to sail smoothly through the internship period.

Webinar: Webinar on Economics of Practice Management was organized by the Interns Monitoring Committee for interns on 27th July 2021. The Speaker of the Webinar was Dr. Ananya Hazare, Reader, Department of Orthodontics, VSPM DCRC, Nagpur.

ANTI RAGGING COMMITTEE

- The anti ragging committee met twice in the academic session 2021-22 to discuss the matters related to conducting of Anti ragging lecture for the freshly joined first year BDS students by the DCI member Dr. Arun Dodamani from ACPM Dental College, Dhule, Maharashtra.
- The sensitization lecture was conducted on 11-07-2022 at 11.00 a.m onwards through online mode (Zoom Platform).
- Dr. Arun Suresh Dodamani, Principal and DCI member from ACPM Dental College, Dhule, Maharashtra conducted the lecture for the first year BDS students and elaborated in detail about the various measures to be taken and the legal aspects associated with ragging to curb the menace of ragging.
- The programme was presided over by the Dean, Dr. Usha Radke, Vice-Dean, Dr. S.R. Shenoi and Member Secretary, Dr. K. Venugopal Reddy.
- There were no cases of ragging being reported by the institution for the academic session 2021-2022

GIRL'S HOSTEL COMMITTEE

To provide best hostel facilities and to address the grievances of girls hostel students, separate girls hostel committee was formed in 2014 under the chairmanship of Dean Dr. Usha Radke

Principle of physiotherapy and nursing college are co-chairman of the committee. Dr. Vandana Kokane, Dr. Jayashree Chahande, Dr. Neena Dongre, Dr. Varsha Uttarwar along with medical, physiotherapy and nursing teachers and wardens are members of girls hostel committee. There was Mr. Pramod Varma as COO for all hostels.

There are separate hostels for UG and PG students with a capacity of more than 1000 accommodation. Vindyalchal hostel is for all streams of PG students. Kanchanganga, Gangasagar, Narmada, Vainganga and Hindasagar hostels are for all streams of UG students.

All different streams teachers are taking weekly rounds of hostels and mess and submitting their reports. This is also helping in curbing the ragging activities. Mess food taste and hygiene is monitored by these teachers.

There are three different mess

- 1) campus for boys and PG students
- 2) raghuveer for nursing and Kanchanganga
- 3) Vihan for Narmada, Vainganga and Hindasagar hostels

Mess menu is prepared in consultation with student representatives and staff. Highest quality of food and strict hygiene standards are maintained.

All hostels are equipped with water geysers, RO drinking water, water cooler, gas cylinder, visitors room and reading room.

Total three meetings were held in this year. Civil department is currently working on seepage issue in all hostels. And beautification of hostel area is going on.

ALUMNI ASSOCIATION COMMITTEE

Members of the Alumni Association: core committee members

Sr. No.	Name	Post held
1	Dr. Usha Radke	President
2	Dr. Smriti Jagdhari	Vice – president
3	Dr. Prasad Nichat	Vice – president
4	Dr. Gagandeep Lamba	Secretary
5	Dr. Mohit Gunwal	Jt. Secretary
6	Dr. Anuj Chandak	Treasurer

A total of 3 meetings were conducted in the year 2021-22 to discuss the various upcoming programs.

As the **COVID** was still prevalent and awareness amongst the rural masses was important, Alumni Association organized a **COVID PREVENTION KIT** distribution campaign in and around Hingna area. The kit comprised of a sanitizer, masks and leaflet mentioning COVID prevention.

As one of our Alumni – Dr. Deeksha Bhawre, cleared UPSC exam with flying colors, a felicitation program was organized for the same and she enlightened interns of the college on **‘HOW TO CRACK UPSC EXAMS’**

A virtual lecture was organized where **Dr. Jasmine Khedkar** residing in USA was a resource person on the topic – **COMMUNICATION SKILLS**. E-certificates were distributed for the same to all the participants.

An alumna of the institute was diagnosed with liver failure and hence Rs. 50000/- was donated from the alumni fund for her treatment.

Vertical garden donated by the alumni of the institute was formally inaugurated and installed in college premises.

DENT-TALKS and **e-alumnivista** were continued as part of silver jubilee celebrations.

CURRICULUM AND TIME TABLE COMMITTEE

The Examination and Time table Committee has been formed for the regulation and smooth conduction of Internal Assessment Examination, MUHS Practical Examination, formation of time table for theory classes and clinical posting of undergraduate courses.

Following staff members are the members of this committee

Designation	Name
Chair person	Dr. Rajashri Kolte
Co-chair person	Dr. Apeksha Balpande
Member secretary	Dr. Sushil Naik
Member secretary	Dr. Purva Chaudhari
Member	Dr. Akhil Rathi
Member	Dr. Varsha Uttarwar
Member	Dr. Aishwariya Akkotkar
Member	Dr. Anita Kahar
Member	Dr. Ashish Bodhade
Member	Dr Nivedita Nandeshwar
Member	Dr Rahul Dahake
Student Member	

The committee meets biannually at the beginning of the terms that is in May-June and Dec-Jan. to prepare the schedule of theory classes and practical/clinical postings for the student. Meetings are also conducted as and when required. The guidelines provided by MUHS Nasik and DCI need to be considered at the time of preparation of the time table.

In addition to the above, the committee also supervises the MUHS Nashik theory exams and practical exams with regards to appointment of Centre In charge, Centre Observer, Internal Vigilance Officer and Central Assessment Programme (CAP) for theory papers of university exam. The availability of university exams external examiners and if need arises appointment of substitute external examiner is co-ordinated with the internal examiner and MUHS, Nashik.

After the completion of internal assessment examination the complete information of marks obtained in theory and practical exams is submitted to the university. Also the verification of marks with theory and practical exam papers done by the centre observer at the time of university theory exam is co-ordinated with the respective departments.

The prominent decision taken in the previous year include:

Time-tables were modified for online lectures of the students due to pandemic situation and then offline classes of lectures and practicals started after December 2021 with all necessary precautions

College was centre for university exams of 2nd, 3rd and 4th winter as well as summer batches of BDS students which was conducted successfully

Integrated teaching classes were also conducted online and offline in this academic session

According to feedbacks of stakeholders various departments were informed to start different value added courses for next upcoming year

In summation, we the committee provide a yearly blueprint of the teaching and examination activities in our institute.

HSET REPORT -JULY 2021-JUNE22

HSET unit of VSPM DC and RC, Nagpur organises events for faculty development which also caters innovations in learning methods. The committee held meetings quarterly to plan the annual program, strategies for its execution as per agenda. The committee consists of following members.

The college website (www.vspmdcrc.edu.in) has been regularly updated this year to reflect the latest information. All the NAAC related data has been meticulously uploaded on the website. The UG/PG admission information was uploaded promptly as per the DMER guidelines. This year we introduced a new language plug-in so the site can now be accessed in various languages. This year the VSPMDCR website has been accessed by more than 40000 users from more than 10 countries.

DROP BOX COMMITTEE

Drop-Box committee met once in a month. There were 12 meeting conducted for the Academic year 2021-2022.

- There were complaints regarding high parking charges at the dental college parking area. The issue has been discussed and sorted out.
- All the members of the committee are informed to intimate in advance in case of absence from the scheduled meeting due to unavoidable reasons.
- The complaint regarding poor maintenance of wash rooms within the institution was brought to the notice of higher authorities and accordingly appropriate solutions were sorted out in consultation with Administrative officer of the institution.
- A few patient grievances regarding starting of online payment services were also addressed and the online payment mechanism was stated in consultation with the higher authorities of the institution.
- It was also decided to install water coolers in every floor of the institution and to provide RO water on request from certain patients visiting the institution.

CAMP COMMITTEE

- The department of public health dentistry has conducted 52 general camps and 12 school camps in the academic year 2021- 2022 in various urban and rural areas to provide diagnostic and primary dental care.
- School camps were conducted in various adopted schools where screening was carried out for dental diseases. Preventive treatments like pit and fissure sealant applications were done.
- The department conducted regular visits to adopted schools and adopted villages to provide preventive treatments like scaling, extractions and restorations along with preventive dental education
- The department provided free primary dental care to patients visiting Nagpur Municipal Corporation (NMC) health centres at Khamla and Jaitala on every second and fourth Wednesday and Thursday respectively.
- A visit to Rural hospital Hingna on every Monday and Satellite centre at primary health centre Kanholibara and every 2nd and 4th Friday were made to provide the basic dental services and to make appropriate referrals.
- The camp committee also has initiated Rashtriya Bal Swasthys Karyakram (RBSK) in collaboration with Rural hospital, Hingna on a Public Private Partnership(PPP) mode from August 2022 with the objective of providing free screening, referral and treatment services to the children of age between 0-18 years among all the government and semi government schools of Hingna Taluka.

INTERNAL COMMITTEE FOR DIFFERENTLY ABLED PERSONS

Internal committee for differently abled persons have been formed as dated circular 12/12/2019 to protect the human right which is essential for all round development for an individuals personality.

Objectives were as follows-

- To facilitate admission of persons with disability by following Rules & Regulations and Policies of the States and Central Governments,
- To provide counselling to differently-abled individuals in the University for better learning support,
- To provide equal educational opportunities to disabled persons in the University,
- To provide infrastructural needs to enable them to easily access classrooms, laboratories, toilets, etc for barrier free learning environment,

NSS COMMITTEE

The NSS unit of VSPM Dental College & Research Centre, Nagpur has conducted following community welfare activities for the academic session 2021-2022:

- A one week special camp activity was organized at the village Metaumbari for NSS volunteers from 19-3-2022 to 25-3-2022. 50 volunteers along with NSS committee members took part in the special camp. Health awareness rally, Tobacco deaddiction campaign and tree plantation were carried out as a part of the special camp.
- An online cyber awareness lecture was organized by crime branch unit of Nagpur so as to aware the participants about cyber crimes and their prevention and management.
- A health awareness camp with special emphasis on oral health was conducted for villagers and nutritional awareness programme was conducted at adopted village (Amgaon) and adopted school respectively.
- A special awareness activity entitled “Mazi vasundhara abhiyan”. Paryavaran janjagruti and swachhata shapath was carried out at swami Vivekananda statue, Gajanan Maharaj temple near Ambazari lake, nagpur from 30/05/22 to 01/06/22.
- On the occasion of Dhammachakra Pravartan Din, the NSS unit of VSPM Dental College and Research Centre, Nagpur organized dental check up and treatment camp in association with Govt. Dental College and Hospital Nagpur on 4th, 5th and 6th October 2022 at Deekshabhoomi, Nagpur. A total of 2000 patients were screened and more than 220 patients were treated for comprehensive dental treatments. Patients requiring further dental treatments were referred to VSPM Dental College and Research Centre, Nagpur.

PATIENT CARE COMMITTEE

Annual report-2021-2022

Patient care committee conducted monthly meetings for the year 20-21 from June 2021 to August 2022.

Total of 2220 feedback forms were collected from patients from JUNE 2021 to AUGUST 2022.

All feedback forms were discussed in front of the members of patient care committee and the probable measures were proposed by the committee members.

Some grievance from registration counter, Dept of Conservative Dentistry, Dept of Oral Surgery, Periodontics, Oral Diagnosis, and more were discussed in both the meetings and suggestions were given for action against these complaints

Some general problems in meetings were discussed such as:

- Behavior of staff members at OPD
- Photocopy of OPD papers
- Delay of treatment in ODMR department
- Delay in appointments
- Small notes and coins are not found many times at OPD
- Toilets were not cleaned at ground floor

The following suggestions were made by the committee for the year 21-22 :-

- Implementation of Online Payment was done for the patients in the year 21-22
- The committee directed Mr. Gawale and his colleagues to behave in proper manner with the patients
- It was decided that note sheet to be put up by the Registration counter through Dean to get the ample amount of change in initial period of OPD which will be return back at the time of closing of transaction at the end of day.
- It was decided that photocopy needed for the patients will be taken in Dean Office.
- The AO was advised to get clean the toilets cleaned on frequent intervals during a day.

Oral and maxillofacial surgery	-	1	16	-	17

The research protocol should be submitted in the prescribed format of the IEC in triplicate along with the suggested enclosures till the 7th of every month. IEC meetings are scheduled once monthly, including 2 meetings for approval of synopsis of final dissertation of first year PG students. Synopsis presentation of dissertation topics of PhD scholars also carried out before the submission to MUHS University, Nashik. Subject experts are invited to enrich and validate the research protocol whenever required. According to committee decision, all research projects in the institution are undertaken only after written approval from the IEC. It is mandatory that all research projects by staff, PhD scholars, PG, UG students and interns should be approved by the IEC

The principal investigator of the research project has to give brief audio-visual presentation of the research project. Certificate of the approval of the research project is issued to the principal investigator. The ongoing research projects are reviewed at regular intervals. The principal investigator has to provide a justification if the research project is not completed in the time period mentioned in the synopsis. All research documents are preserved for a minimum of three years after completion of the study. A completed report of the research project has to be submitted to the IEC of all completed research projects in the departments.

MENTORSHIP COMMITTEE

Annual Report of Mentorship Committee 2021-22

Online Orientation program was held for first BDS undergraduate students in which they were oriented regarding discipline, code of conduct, gender equity and mentorship programme on 20/04/2022. Dr Neelam Pande administered the oath to the first-year students and briefed the 1st year students and their parents regarding the mentorship cell details. The white coat ceremony and introduction of the first-year students was carried out by Dr Varsha Uttarwar.

1st year orientation program (20/4/22)

Activities carried out by Mentorship Committee in 2021 to 2022

Sr No	Date	Name of the activity	Details of the activity
	Mentor-mentee interactions		Frequently as and when required online /offline meetings were held and guidance to the mentees was given regarding their personal,academic problems and various other issues.
1.	22/7/21 & 04/04/2022	Final BDS Mentor-mentee interactions	mentors had an online interaction with the parents and there was a discussion regarding the attendance & PCT marks of the students.
2.	22/7/21 & 08/04/2021	Third BDS Mentor-mentee interactions	mentors had an online interaction with the parents and there was a discussion regarding the attendance & PCT marks of the students.
3.	22/7/21 & 08/04/2021	Second BDS Mentor-mentee interactions	mentors had an online interaction with the parents and there was a discussion regarding the attendance & PCT marks of the students.
4.	22/09/2021	First BDS Mentor-mentee interactions	mentors interacted with the parents and there was a discussion regarding the attendance & PCT marks of the students and also regarding their academic difficulties.
5	4/8/21 & 5/8/21	Ice Breaking session	An ice breaking session was organized for the 1st& 2nd year students by the mentorship cell. A lot of fun filled games were organized and enjoyed by the students.
5.	20/04/2022	First year - orientation programme	Dr Usha Radke mam administered the oath to the first-year students. 2.Dr Neelam Pande presented a talk on Mentorship programme SARATHI and the White coat ceremony and introduction of first year mentees with their respective mentors was carried out by Dr Varsha Uttarwar along with the first-year mentors.

Report of mentoring sessions

SR. NO	YEAR	MENTORING SESSIONS	STUDENTS FEEDBACK	REMARKS/SUGGESTIONS
1.	2020 - 2021	Online mentoring sessions were held with the mentees to discuss their various academic and personal problems and were motivated to excel by the mentors. Students were free to call the mentors at all times and mentors tried to resolve their issues whether academic, personal or psychological. Discussions in the mentoring sessions addressing anxiety levels, need of practicing yoga and maintaining a healthy lifestyle were carried out by the mentors.	Students were able to discuss their problems and anxiety issues with the mentors. Apprehensions of parents and safety concerns of parents were also resolved by the mentors. Mentors encouraged them to pursue their hobbies along with improving their academic performance. Some also received guidance for improving their language and communication skills.	Mentoring sessions help in better communication between teachers and students and were helpful to the students. Further the increase in no of mentors helped in giving more personal attention to the students and interns as the student-mentor ratio was reduced to 1:10.

INFECTION CONTROL COMMITTEE

The infection control committee was formed on 7th January 2014 to monitor CSSD records, to ensure strict supply and use of PPE in the clinic, monthly intradepartmental infection control vigilance and to create awareness regarding needle stick injury and post exposure prophylaxis.

The members of infection control committee are:

Patron	Dr. Usha Radke
chairperson	Dr. Vrinda Kolte
Member secretary	Dr. Nilima Budhraja
	Dr. Snehal Sonarkar
Members	Dr .Anurag Choudhary
	Dr. Trupti Choudhary
	Dr. Sangita Bhattacharya
	Dr. Prabhat Singh
	Dr. Vrushali Lathiya
	Dr. Sushil Naik
	Dr. Rahul Tekale

Hepatitis B vaccination

The committee members conduct meetings Quarterly(July and October, January and April) to discuss and monitor sterilization protocol, fumigation process, needle stick injury and use of PPE for the institute. Maintenance of CSSD, infection control and needle stick injury register are done by the committee on a regular basis. The record verification for every department is carried out by committee member on daily basis, by HOD on monthly basis and member secretary of infection control committee every 3 months. The committee members conduct orientation programs for Interns, Third BDS and PG students every year.

The International Nurses Day was celebrated by the ICC committee on 12th May 2021 and

all the Nurses were facilitated by Dr S.R. Shenoi, Vice – Dean VSPM's NAGPUR.

From 23rd to 25th August 2021, Hepatitis B Immunization Vaccination Drive was organized for First BDS, First MDS (2020-2021 Batch) and for Newly joined teaching staff. A total 135 participants were registered for this drive.

The International Nurses Day was celebrated by the ICC committee on 12th May 2021

Hepatitis B Immunization Vaccination Drive organized on August 2021 by ICC, VSPM's DCRC, Nagpur

COVID CELL COMMITTEE

The Covid Cell Committee was formed in 2020 in view of covid pandemic, to discuss covid related rules and implementation of government rules and regarding covid.

The members of covid cell committee are

Patron Members	Dr. Usha Radke
Chairperson	Dr. Vrinda Kolte
Member Secretary	Dr. Sangita Bhattacharya
Members	Dr. Neelima Budhreja
	Dr. Snehal Sonarkar
	Dr. Anurag Choudhary
	Dr. Trupti Choudhary
	Dr. Kavita Hotwani
	Dr. Vrushali Lathiya
	Dr. Sushil Naik
	Dr. Rahul Tekale

Responsibility was allotted to the committee members in view of COVID-19 pandemic for reinstituting emergency services after the nationwide lockdown and monitoring isolation leave. The COVID-19 protocol was adopted as per WHO, CDC, DCI and MUHS guidelines under the able guidance of Dr.Vrinda Kolte, Chairperson, Covid Cell Committee.

Programs conducted by Covid Cell Committee:

- NAAC Team inspection was scheduled in the month of September 2021, meeting was conducted regarding following covid protocol during NAAC team visit. It was a successful inspection in the view of stringent following of covid norms by all the committee members.
- Free mouthwashes were distributed
- Free Covid Vaccination drive was conducted for all the teaching and non-teaching staff as well as for the students.

DEPARTMENT OF PROSTHODONTICS

Brief profile of the department: Department of Prosthodontics aims at imparting our students with the ability to provide excellent treatments effectively and efficiently, backed by thorough knowledge and skills along with maintain high ethical standards, empathy and care while handling any patient needing Prosthodontic care. All our educational programmes envision to develop and nurture our budding students to grow into highly talented professionals. Our post-graduate program trains our students to treat all the possible Prosthodontic defects individually or as part of multidisciplinary approach. We provide them with a plethora of innovative concepts based on evidenced based dentistry and a clear understanding of Prosthodontics from basic to beyond.

We have accomplished our aim of building a centre of excellence in maxillofacial rehabilitation that rehabilitates patients with defects due to cancer surgery, trauma and developmental anomalies.

Advanced endodontic workshop
20-31 January 2020

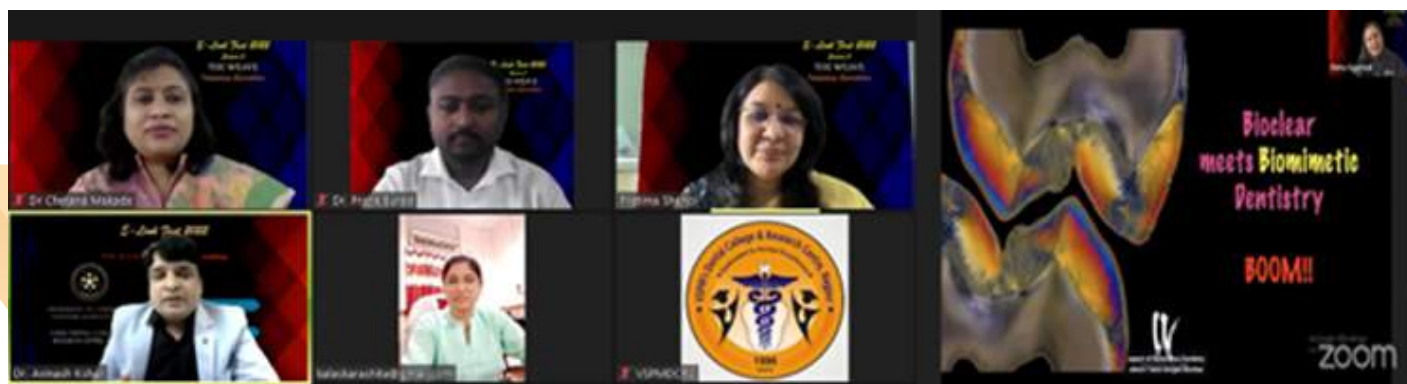

Tree plantation , Walkathon and Camp organized on
occasion of ENDO-CONS week

ORGANISED E- ALUMINI VISTA

Staff presentations at IFEA World Endodontic Congress

ORGANISED E-LINK FEST ONE HOUR ONE MONTH

DEPARTMENT OF CONSERVATIVE DENTISTRY AND ENDODONTICS

Brief profile of the Department: Department of Conservative Dentistry and Endodontics, is endowed with committed, earnest and experienced faculty all of whom along with the student are devoted to provide a holistic contemporary restorative treatment to the community. Their primary focus is also to spread cognizance among the masses in prevention of oral diseases and rehabilitation of diseased or loss tooth structure. A centre of excellence is also being developed to acquaint and upskill the post graduate students about contemporary endodontic treatment modalities. Department also runs a structured programme to upskill the interns to face the newer challenges in clinical practice. The department is equipped with hard tissue laser, endodontic microscopes and bleaching unit along with all other latest equipments to provide world class treatment modalities at reasonable costs to all. Research activities are promoted in the department and have sufficient publications, copyrights, patent publications and books contribution from the faculty and postgraduates. E link fest, one of its kind webinar series everyday for one hour in the month of July was conducted with the theme of 'E link fest Gen Next' with 750 registrations from all over the country. Department also organized "SPRUZ-UP Guiding professional Gen X' a value added course for overall personality development of the students.

Latest development since last year July 21 to June 22:

- Organized E link fest 2021 season two with Gen Next for one hour one month.
- Celebrated ConsEndo week with donation drive at Govt. shelter home for girls, dental awareness in public places with flash mob and skit play, motivational talk on conflict management, tree plantation and walkathon.
- Organized advanced endo workshop.
- Organized "SPRUZ-UP Guiding professional Gen X' a value added course for overall personality development of the students.
- Organized 'Evolve' an add-on course for interns to upgrade their professional skills

DEPARTMENT OF ORTHODONTICS AND DENTOFACIAL ORTHOPEDICS

Departmental Profile: The Department of Orthodontics and Dentofacial Orthopedics is concerned with providing utmost Orthodontic care to a wide range of patients. The emphasis is on providing orthodontic treatment to enhance the facial appearance, efficiency and overall health of the Stomatognathic system. The department is actively involved in providing variety of treatment such as growth modulation using myofunctional and orthopedic appliances, fixed Orthodontic treatment using various techniques, micro-implants, cleft orthodontics etc.

The essence of an increasing number of patients in the department lies in exhaustive treatment planning, use of the best available clinical material and continuous monitoring by skilled clinical supervisors. There has been a constant increase in the number of patients both children and adults; visiting the department.

Research Profile: The department of Orthodontics focuses mainly on clinical research. Various studies have been conducted so far to compare the clinical effects of various orthodontic techniques. Research is being carried out using various tools such as Nemoceph, FEM etc. We at the department of Orthodontics are also conducting clinical research along with other allied departments

Total research projects completed: 05

Ongoing research projects: 09

Publication details:

Total number of publications: 05

Number of pubmed indexed publication: 05

Number of copyrights: 05

Achievements:

Dr. Usha Shenoy: (Prof & Head)

- Guest Lecture – “NAAC ORIENTATION PROGRAMME” at GDC, Nagpur (1.12.2021)
- GuestLecture–“RESIDENTASTEACHER-BASICWORKSHOPINEDUCATIONALMETHODOLOGY” at VSPM Dental College and Research Centre, Nagpur (28.06.2022-29.06.2022)
- Moderator – Faculty Development Activity on “COMPETENCY BASED CENTAL EDUCATION” at VSPM Dental College and Research Centre, Nagpur.
- Chairperson – “DIGITAL TRANSFORMATION OF DENTAL WORKFLOW” at VSPM Dental College and Research Centre, Nagpur.

Dr. AnanyaHazare (Reader)

- GuestLecture–“RESIDENTASTEACHER-BASICWORKSHOPINEDUCATIONALMETHODOLOGY” at VSPM Dental College and Research Centre, Nagpur (28.06.2022-29.06.2022)
- Lokmat Times Excellence in Health Care award

Dr. Himija Karia

- Guest lecture- Invited by Ormco to present cases treated with Damon Pholosophy at NOSG meeting in October 2021
- Panelist: NEET preparation guidelines for interns, conducted on 14th January 2022

Events conducted by the department:

- Conducted guest lecture by Dr. Gauri Vichare on “Class III Malocclusion” on 26.04.2022.

- Conducted webinar by Dr. Shruti Bajaj on “Essentials in clear aligners” on 24.07.2022.
- Conducted webinar by Dr. KedarWani on “Dental office design and practice management strategies from inception to success” on 16.06.2021.
- Umra village adoption by Department of Orthodontics on 15.12.2021

DEPARTMENT OF ORAL PATHOLOGY & MICROBIOLOGY

Brief profile of the Department: In Department of Oral & Maxillofacial Pathology routine hemogram, reporting of cytology & biopsy of oral pathologies is performed. Facilities available are museum, stereomicroscope & Trinocular Research microscope (Olympus BX51) with fluorescent, polarizing, phase contrast microscopy attachment, image analyzer & DP 21 camera for photomicrography. A Pentahead microscope enables all the co-observers to highlight important specimen area for slide discussion. Histopathology laboratory is equipped with an Automatic tissue processing unit and semi-automatic microtome. Immunohistochemistry laboratory set up promotes research in the department.

Children's day celebration including painting competition, nukkadnatak, Instagram reel competition, hygiene awareness school dental camp and oral hygiene awareness lecture for aganwadi workers

DEPARTMENT OF PEDIATRIC AND PREVENTIVE DENTISTRY

Brief profile of the department: Pediatric and Preventive Dentistry department focuses not only on the dental treatment but also on comprehensive oral health care needs of a child from infancy to adulthood. We provide comprehensive, therapeutic as well as preventive care to all children including those requiring special care. Most of the dental diseases and problems have their origin in childhood and hence we focus on nipping the disease in the bud itself by providing quality preventive care and also by educating and motivating the child as well as the parents regarding importance of oral health.

Latest development since last year July 2021 to Jun 2022: Conducted

- CDE “CONFLICT OF INTEREST IN PEDIATRIC TREATMENT” organised on 30th June 2021
- Webinar “TREATMENT PLANNING IN PEDIATRIC DENTISTRY” organised on 16th June 2021.
- Children’s / Pedodontist’s day celebration from 14th - to 29th November 2021, including painting competition, nukkadnatak, oral hygiene awareness camp, school dental camp at a zillaparishad school Nildoh and oral hygiene awareness lecture for aganwadi workers

Research Profile of department

Table I: Ongoing research projects/ short-terms studies /thesis

Sr. No	Research Title	Investigator	Co- investigator	Type of Research
1	Comparative evaluation of traditional oral hygiene methods and herbal oral wipes on S.mutans counts in children aged 6-36 months	Dr. Gagandeep Lamba		PHD Thesis
2	Clinical dental photography: knowledge and practice among dental practitioner’	Hitesh Dibbe	Dr.Devendra Nagpal	Short study
3	‘Parental awareness and hesitancy for pediatric COVID- 19 vaccination in and around Nagpur’	Ashwini Dixit	Dr Gagandeep Lamba	Short study

Dr Apeksha was invited as speaker on "Tobacco addiction" on 19th march 22

Tobacco de-addiction training module conducted for interns on 17th & 18th Feb 22

Dr Tapasya conducted webinar at Saveetha Dental College, Chennai on 26th March 22

Dr Anuraag conducted lecture at GDC, Nagpur on 22nd April 2022

Dr Smriti won consolation prize at 4th international conference on dentistry and oral health on 11 March 2022

Dr Tapasya conducted workshop for state health and family welfare on 8th Jan 2022

Dr Apeksha conducted TCC workshop on 22 Jan 2022 with Indian dental association

Dr Rucha published book titled "Management guide in Oral Medicine" in July 21

DEPARTMENT OF ORAL MEDICINE & RADIOLOGY

Brief profile: The Department of Oral Medicine and Radiology deals with the diagnosis and non-surgical management of Oro-facial diseases and the oral manifestations of systemic disorders, as well as with the maxillofacial imaging. The department conducts theory lectures and practical postings for the III and IV BDS students. Post-graduation started in the subject from 2009 with the intake capacity of 3 students per year. Small group teaching discussion exercise for final years is conducted by staff members and separate case based group discussions, Open book test is initiated for Post-Graduate students to upgrade their knowledge. Also, DOPS (Direct observation of procedural skills) and MiniCex (Mini clinical evaluation exercise) is carried out to develop clinical examination and radiographic skills of postgraduate students.

Oral radiology is well equipped with the conventional as well as advanced imaging facilities utilized for the Under-graduate as well as Post Graduate students. Department of Oral Medicine and Radiology, VSPM'S Dental College and Research Centre, Nagpur, organized a webinar on "CBCT – Precession based diagnosis" on 4th August 2021 by eminent speaker Dr. Prashant Jaju who guided around 105 participants about the important diagnostic aspects using CBCT. Also, the Department is planning to install 'Cone Beam Computed Tomography' unit in the upcoming months.

The department of Oral medicine and radiology organized a series of lectures titled "Rejuvenate and Reveal; a week long OMR journey" from 9th to 14th August 2021 under silver jubilee celebrations of the institute. There was an array of distinguished speakers and moderators who wonderfully integrated the basic concepts of OMR.

Tobacco Cessation Centre has been started in the department as per the DCI guidelines where patients are counselled for tobacco de-addiction. A Value added course on tobacco de-addiction training was conducted on 17th and 18th February 2022 for interns where they were taught various methods of tobacco cessation and counselling by Dr. Dinesh Jigaysi and Dr. Ratandeep Chawla from LifeFirst foundation.

Department also received Unnat Bharat Research Grant worth Rs. 1 lakh which is a joint venture with G.H Raisonni college, Nagpuron 31st march 2022 for developing smart chair side TMJ examination and muscle activity detection tool.

Research profile of the department

NAAC

The year 2021 was a watershed year in which we underwent the rigorous exercise of NAAC accreditation and were awarded B+ in the new format. The credit goes to the IQAC team and each and every staff member of the college who toiled hard to overcome the challenging format. The management has stood by us and made available everything that was needed for the accreditation process

The peer team that visited was very impressed with the infrastructure and facilities of the college. The score for various metrics that we got, led to a detailed analysis and we took a vow to improve upon them and strive for the best possible grade.

We have initiated the measures to submit our AQAR.
