## Guidelines for Debate Competition

### FIRST ROUND

1. The participants will be randomly allocated to two teams and will be informed about the same 2-3 days prior to the competition.
2. On the day of debate each participant will be given a maximum of 3 minutes' time to speak either for or against the motion.
3. A warning bell will be given after 2 minutes and a final bell after 3 minutes.
4. The participants will be judged on introduction, statement of fact, confirmation/proofs/evidence/examples, refutation and conclusion.

### SECOND ROUND

1. The second round will be the rebuttal round.
2. For each rebuttal a total of 3 minutes again would be given.
3. Two participants will not be allowed to speak at the same time be it from the same or the opposing team.
4. Participant from each team going against each other would be decided by randomization.

### THIRD ROUND

1. In the conclusive round, one participant from each team (other than those participating in the second round) will come ahead to express their conclusive statements.
2. Judgements will be made for best debator from each team and for the best team.
