Workshop on Basics of Audio and Video Editing for Making e-Content

Speaker : Mr. Prashant Joshi
Director- Mindbloom Technologies
IT and soft skills training institute-Nagpur

Tuesday, 22nd Nov 2022

Time: 9 am to 1 pm IST

The programme will comprise of two parts:

a) talk explaining various aspects of video editing, related technical terms etc. and
b) demo sessions.

- ✓ Short video clips will be shown during the talk to help the participants understand and appreciate various nuances of video editing.
- ✓ The aim of the talk will be to make the participants comfortable with video editing and encourage them to explore it further through self-study, after the talk.
- ✓ Demo sessions will include video clip extraction, trimming, joining, adding effects and titles, saving options etc., using various packages.
- ✓ Audio editing basics and conversion of various audio and video file formats will also be included in the programme.
- ✓ This programme would help the participants in creating effective eContent, both for offline and online teaching learning interactions.

Event: Resident as Teacher Workshop

Date conducted: 15/06/2023 and 16/06/2023

Resource person: HSET Unit of VSPM's Dental College and Research Centre, Nagpur

HSET Unit of VSPM's Dental College and Research Centre, Nagpur organized Resident as Teacher workshop on 15/06/2023 and 16/06/2023 at Pride Hall, VSPMDCRC.

The second year post graduate students were the participants for the workshop.

Day one: 15/06/2023

- **Welcome address- Dr Usha Radke**, Dean and chairperson HSET has welcomed all the participants. She explained the importance of this workshop in postgraduate life. She also congratulated the team HSET.

- **Introduction: Dr Usha Shenoy**

The workshop began with icebreaking session by Dr.Kshitij Bang, where the participants introduced each other. Dr. Usha Shenoy explained the objectives of the workshop. Ground rules for the participants were formed through their suggestions.

- **Process of Learning & Adult Learning Principles: Dr Saeesh Deshpande**

Dr Saeesh Deshpande explained about Pedagogy and Andragogy. Guidelines on self-directed learning were discussed.

- **Learning Domains: Dr Chetana Makade**

Dr Chetana Makade explained cognitive, affective and psychomotor domains with examples. Participants formulated one example of each domain from their speciality and presented it.

- **Educational Objectives: Dr. Jaya Joshi**

Educational objectives with their relevance to teaching program was explained. Participants formulated one SLO individually and presented it.

- **Micro teaching: Dr.Kshitij Bang**

The concept of micro teaching was introduced. The objectives and significance were discussed. An assignment of preparing a 7 min presentation for micro teaching was given to the participants which they were asked to present on the next day.

- **Introduction to Teaching Learning Methods & Effective use of teaching aids: Dr. Ananya Hazare**

Various teaching learning methods were discussed with their advantages and limitations. Large group teaching methods were discussed and how to make effective lecture presentation were explained. Different teaching learning techniques were discussed. Advantages and limitations of each method were discussed and it was concluded that blending of teaching aids would be more effective.

- **One minute Preceptor: Dr. Neelam Pande**

Concept of OMP was introduced. Technique and benefits of OMP was discussed. Participants performed role plays in groups which demonstrated OMP technique.

- **Introduction to Assessment: Dr. Apeksha Dhole**

Different features of effective assessment were discussed. Difference between traditional assessments and standardized assessments was explained and concluded that no single method of assessment is good or bad. A mix of the appropriate methods is recommended.

- **Assessment of Performance – How to do an OSCE: Dr. Dhawal Mody**

The concept, component and how to design OSCE were discussed in detail. Participants designed one OSCE station and presented to large group.

- **Small Group Teaching: Dr. Rohit Moharil**

Discussion about different small group teaching methods with benefits and limitations. Problem Based Learning was discussed in detail with group activities.

- **Assessment of Knowledge – MCQ: Dr. Swapnil Patil**

Role play depicting the students' opinion about question papers and MCQs was performed by Dr. Swapnil. Dr. Swapnil Patil explained about the components of MCQs, validity and reliability of MCQs. Participants formulated one MCQ each and few of them presented in the large group and necessary modifications were suggested.

At the end of the day, session evaluation feedback forms were collected.

Day 2: 16/06/2023

- **Communication Skills:** Dr. Mukta Motwani, Dr. Tapasya Karemore, Dr. Apeksha Dhole

Various aspects of communication were discussed based on the situation depicted in the role play. Communication model, verbal, non-verbal communication, barriers in communication and special reference to patient communication were discussed. At the end of the session, the participants performed role play of effective communication between doctor, patient and student teacher.

Post test questionnaire were given and their responses collected. Dr. Dhawal Mody carried out analysis of the pre and post-test questionnaire.

- **Microteaching:** Participants were divided into 4 groups and presentations were conducted. Participants presented their topics for 7 min and feedback was given to them by moderators.
