DIGDOH HILLS, HINGNA ROAD, •NAGPUR-440 019 (☎ 07104) 236290, (0712)321825 FAX☎0712) 232905,232905 07104-232904

What are the modifications you suggest for the curriculum and syllabus implementation by the institute?

- More practical learning
- More research related work
- The curriculum should include modern clinical practices and should continuously be evaluated and upgraded.
- More ethical value should be taught.

2) Teachers feedback on curriculum

How do you think is the design and completeness of the curriculum?

36 responses

If not satisfactory please mention the reason.

- Obsolete and not in sync with contemporary dental practises
- Advanced knowledge has to be incorporated.
- Practical applications are needed.

How are the modern dental practices incorporated into the course?

36 responses

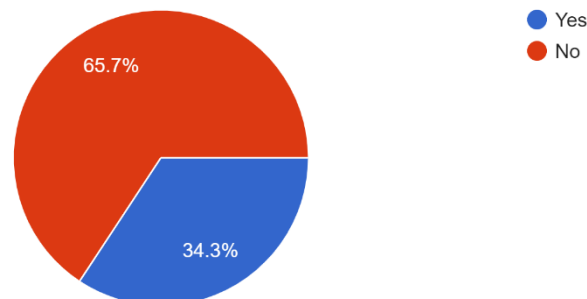

If not satisfactory please mention the reason.

- No provision for courses like DSD, dental photography, micro endodontics etc

Do you think there should be any change in the design of the curriculum?

35 responses

If yes, please mention what changes you suggest.

- Practice oriented.
- Tailor it to the contemporary dental practice discontinue practical exams like class II cavity preparation
- Add more recent advances. Add digital records.
- Especially the practical examinations conducted needs to be upgraded while using latest equipment and materials.
- Exams and teaching needs to be case based and practical
- Include advanced education technologies
- Practice orientation needs to be included
