NAGPUR  
Formerly known as VSPM's Dental College and Research centre, Nagpur

---

*Board of Research Studies*

---

**Topic- Role of stem calls in dental research**

**Date- 3<sup>rd</sup> Nov 2023                      Time: 10-11am**

**Speaker- Dr Abhay Kolte**

**Venue: INSPIRE Hall, NKPSIMS, Nagpur**

**Brief report:**

To promote the awareness of dental research in basic science the board of research studies (BORS) organized a CDE programme on **Role of stem calls in dental research.**

The speakers was Dr Dr Abhay Kolte (Chairman BORS).

Mukta Motwani (Vice Dean- Clinical and HOD Dept of Oral Medicine and Radiology RDDCRC, Nagpur) welcomed the speaker and Dr Saeed Deshpande (Member BORS) introduced the speaker to the audience.

Dr Kolte explained the concept of stem cells and their role in dental research in regenerative dentistry. He emphasized that these cells are very important for inventing revolutionary dental therapies and can provide better treatment options for patients.

The programme was attended by staff, UG and PG students and interns and it was well received by the audience.

**Dr Abhay Kolte**

Chairman BORS-RDDCRC, Nagpur
