**Date- 4<sup>th</sup> Oct 2023**

**Time: 10-11am**

**Speaker- Dr Mukta Motwani**

**Venue: Pride Hall, RDDCRC, Nagpur**

**Brief report:**

To promote the understanding of different types of dental research the board of research studies (BORS) organized a CDE programme on **Secondary Research**.

The speakers were Dr Mukta Motwani (Vice Dean- Clinical and HOD Dept of Oral Medicine and Radiology RDDCRC, Nagpur)

Dr Abhay Kolte (Chairman BORS) welcomed the speaker and Dr Saeesh Deshpande (Member BORS) introduced the speaker to the audience.

Dr Motwani explained the concept of secondary research including systematic review and meta-analysis. She emphasized the importance of secondary research in identifying the areas that require more primary research in dentistry with examples. She also explained the steps in preparation of research protocol and its registration on Prospero and Cochrane.

The programme was attended by UG and PG students and interns and it was well received by the audience.
