Research Centre, Nagpur**

**ANNUAL
REPORT
2023-24**

Chairman's Message

Greetings from the VSPM Academy of Higher Education, Nagpur. Over the years we have established ourselves as an institution dedicated towards health care needs of population in general and educational needs of young aspiring students in particular. We as an institution have always strived to prepare the next generation of professionals for the challenges posed by the current times. We have always tried to uphold the highest ethical standards in the profession and wish to cultivate and nurture the best of the talents.

Reflecting on the past year, I am filled with pride and joy to share the remarkable success of two significant events organized by the Ranjeet Deshmukh Dental College and Research Centre, Nagpur on completion of glorious 25 years of service to the public. The Silver Jubilee Celebrations which saw one of the most successful events of the campus "The Sync: National Dental Conference". The Silver Jubilee Celebration was a momentous occasion, marking 25 years of unwavering dedication to Dental education and excellence in the profession. It was indeed an opportunity to honor our journey, achievements, and the countless individuals who have contributed to our success. It served as a vibrant platform for knowledge sharing, innovation and collaboration in the field of Dentistry. These events not only celebrated our legacy but also reinforced our commitment towards nurturing future leaders in the Dental profession.

This annual report is a testament to the institute's continuous efforts to make a meaningful impact in Dental education, research, and healthcare. Over the past year, we have made significant strides in enhancing patient care services, driving scholarly research, and fostering institutional growth. These achievements reflect the collective hard work, dedication, and vision of our faculty, staff and students.

I extend my heartfelt congratulations to the Editor and the Annual Report Committee's Editorial Team for their tireless efforts in compiling this comprehensive and insightful document. Their work beautifully captures the essence of our accomplishments and the progressive steps we have taken toward achieving our goals.

As we look to the future, I am confident that Ranjeet Deshmukh Dental College & Research Centre will continue to be a beacon of excellence in Dental education and patient care services, inspiring generations to come. Together, let us build on this legacy and reach even greater heights.

My Best wishes for the institutional progress, which I am sure will be a continuous journey.

Shri Ranjeetbabu Deshmukh
Chairman,
VSPM AHE, Nagpur

Vice Chairman's Message

As a proud member of the administration of this esteemed institution, I am deeply honored to play a role in shaping the next generation of medical professionals, educators, researchers, leaders, and scholars. Serving as the Vice Chairman of VSPM and contributing to the institute's ongoing growth and success is a privilege I hold dear.

Our institution has consistently stood as a shining example of excellence in education, research, and community service. The achievements of our faculty, staff, and students stand as a testament to their unwavering commitment and dedication. Their remarkable contributions, both nationally and internationally, in the fields of research, teaching, and service are a source of immense pride. Their tireless efforts have propelled the institution forward, reinforcing its reputation as a leader in dental education and healthcare.

The transformational journey of this institution would not have been possible without the visionary leadership of our esteemed Dean, Dr. Abhay Kolte. His dedication, foresight, and guidance have been pivotal in advancing the college across multiple dimensions, including academics, research, and healthcare services. Under his leadership, we have achieved significant advancements in various research initiatives and institutional growth, further solidifying our reputation as a leader in the field of dental education.

I would like to express my heartfelt gratitude to the editorial team for their exceptional dedication and meticulous efforts in producing this annual report magazine. Their work captures the essence of the institution's progress and achievements with precision and clarity, providing a comprehensive account of the past year. This report serves not only as a reflection of our accomplishments but also as an inspiration for future endeavors.

I am confident that Ranjeet Deshmukh Dental College & Research Centre will carry forward its proud tradition of excellence. Together, we will strengthen this solid foundation and achieve new milestones in education, research, and service.

Dr. Ashish Deshmukh

Vice Chairman
VSPM AHE, Nagpur

Founder's Message

I am overwhelmed with pride, gratitude, and optimism as I reflect on our journey. From modest beginnings to becoming the esteemed institution we are today, the progress we have achieved is truly remarkable. I extend my heartfelt thanks to every member of our community—faculty, staff, students, and alumni. Your unwavering dedication, passion, and pursuit of excellence have been the cornerstone of our growth and success. Together, we have created an environment that champions academic rigor, innovation, and meaningful community engagement.

The resounding success of the Silver Jubilee Celebration and “The Sync” National Dental Conference stands as a testament to the hard work, enthusiasm, and steadfast support of everyone who has been part of our journey. We are deeply humbled by the incredible response, active participation, and enthusiasm of our esteemed guests, speakers, delegates, sponsors, and the wider community.

I congratulate the editorial team for their dedication in producing the Annual Report of RDDCRC for the year 2023-24 and extend my best wishes to all for continued success.

Shri Bhausaheb Bhoge

Founder VSPM AHE

Nagpur

Secretary's Message

I sincerely thank everyone who has contributed to our achievements and success. As we move forward, let us remain committed to upholding the highest standards of education and patient care that define our institution. It fills me with immense pride to extend my heartfelt congratulations to each one of you as we celebrated the Silver Jubilee of RDDCRC. This milestone reflects our unwavering dedication to academic excellence, clinical expertise, and community service.

This year's annual report not only highlights the college's accomplishments over the past year but also emphasizes the steps taken toward continuous improvement and growth.

I extend my gratitude to the editorial team for their dedication in preparing the RDDCRC Annual Report for 2023–2024 and wish everyone continued success in the years ahead.

Shri Yuvraj Chalkhor
Secretary

Dean's Message

It's an honor to write a message for the Annual report of one of the most prominent and prestigious institutes of our country. As we reflect on another year of growth and progress at the Ranjeet Deshmukh Dental College and Research Centre, it is with great pride and gratitude that we celebrate the accomplishments of our students, faculty, and staff. The past year has been one of resilience, innovation, and restructuring of community-oriented activities. We all have been working together toward our shared mission of academic excellence and holistic development. Needless to say, that it has been possible because of whole hearted support and active contributions from all the staff members and the students.

The past one year has seen an overall increase in activities directed towards the scientific upscale, on field activities for the benefit of general population and professional skill development programs for the faculty as well as student members. The major contributors in this challenge for betterment includes the Faculty Development Programs undertaken by many staff members especially on the Swayam platform which speaks greatly about their urge to improve upon themselves. Another area where the staff and students have contributed is the realization for innovative thinking which has resulted in overall increase in the number of Copyrights, Patent applications being filed and publications arising from the projects undertaken by them. The appointment of Research Mentor has considerably aided in achieving this objective.

Our UG as well as PG students have demonstrated exceptional perseverance and dedication, both in and out of the classroom. Despite the challenges of a rapidly changing world, they have excelled in their academic pursuits, engaged in meaningful extracurricular activities and contributed to the broader community through service and leadership initiatives. Their efforts have been demonstrated in the applications being filed for Research Grants to various Governmental agencies, some of them being accepted and others being under consideration.

In addition to our academic achievements, we have made significant strides in enhancing our infrastructure, expanding our programs, and fostering a culture of inclusivity and innovation. The College's emphasis on interdisciplinary learning, research opportunities, and global engagement has further strengthened its position as a leader in higher education. These endeavors were rightly appreciated when our institute received the prestigious a. Most innovation Conducive campus award, b. Best patent award, c. Best Idea award at the patent fest held in 2023 and d. Best Scientific and Research Institute Award" at the National level for 2024 through the Pierre Fauchard Academy, Asia Region.

As we look ahead, let us remain focused on our vision of empowering future leaders, fostering critical thinking and promoting a sense of social responsibility. We are committed to continuing our journey of excellence, supporting the aspirations of our students, and contributing to the betterment of society at large.

Dr. Abhay Kolte
Dean,
Ranjeet Deshmukh Dental College and Research Centre, Nagpur.

Vice Dean (Administrative)'s Message

It gives me great pleasure to pen these few lines regarding our beloved institution. As usual we intend to and achieve great heights with each passing year. The undergraduates and postgraduates performed excellently in the University exams and many secured fellowships at reputed institutes. The college always aspires to provide the latest instruments and equipment to its student. This has been made possible by the benevolence of the management.

The staff also strives hard to make the institution proud by carrying out research activities in the form of publications patents and copyright. They also leave no stone unturned to provide the highest level of academics to the students

I am confident that this trend will continue in the years to come.

Dr. S.R. Shenoji

Vice Dean (Administrative)
RD DCRC Nagpur.

Vice Dean (Clinical)'s Message

As we reflect on another transformative year at our esteemed Institute, I am filled with a profound sense of pride and gratitude. This Annual Report encapsulates the dedication, innovation, and excellence that define our institution.

Over the past year, amidst unprecedented challenges, our Institute has demonstrated remarkable resilience and adaptability. Our faculty, renowned for their expertise and commitment to teaching, research, and patient care, have risen to the occasion, successfully navigating the complexities of a rapidly evolving healthcare landscape. Their unwavering dedication has ensured that our students continue to receive a world-class education, blending tradition with innovation.

I am delighted to share the success captured within these pages, especially the impactful Silver Jubilee Celebrations, which included “The Sync” National Dental Conference for both UG & PG students, Mega Dental Camps in nearby rural areas, and a health exhibition aimed at raising dental awareness among school children. These events serve as a testament to our college’s enduring commitment to excellence in dentistry and our dedication to the community.

My sincere thanks go to all who contributed to making these milestones both memorable and meaningful. With continued enthusiasm and dedication, we look forward to shaping the future of our profession together.

Dr. Mukta Motwani

Vice Dean (Clinical)

RD DCRC Nagpur.

From the editor's desk

It gives me immense pride and honor to present the Annual Report of Ranjeet Deshmukh Dental College and Research Centre, Nagpur, for the academic year 2023-24. This report stands as a testimony to the institute's dynamic growth, unwavering commitment to excellence, and achievements over the past year.

The annual report is a carefully compiled document that captures the essence of the institution's endeavors and accomplishments. It highlights a wide spectrum of activities, ranging from academic and administrative milestones to extracurricular achievements that reflect the holistic development approach adopted by our institution. This comprehensive overview offers insights into the institute's progress and performance during the academic year 2023-24.

The report not only showcases the dedication and efforts of our faculty, staff, and students but also underscores the collaborative spirit that drives this institution forward. From remarkable strides in academics to significant achievements in research, administration, and student engagement, each aspect of this report is a reflection of the collective efforts and commitment of the entire Ranjeet Deshmukh Dental College family.

I would like to extend my heartfelt gratitude to the Dean, Heads of Departments, Committee Heads, and every individual who has played a role in the preparation of this report. Your meticulous efforts and contributions have made it possible to compile a document that not only records our accomplishments but also inspires us to aim for greater heights.

This report is more than just a summary of the year—it is a celebration of our shared vision, dedication, and perseverance. As we reflect on our achievements, let us also look ahead with renewed enthusiasm and determination to build on our successes and continue striving for excellence.

The institution believes in a philosophy that research is not an imperative but a need; it also understands its role in catering to the appropriate environment for conduction of qualitative research. Various factors may restrain an individual from getting involved in the research. One of the major factors for lack of indulgence in research can be the financial expenses that the researcher needs to bear for the conduction of research. The address of this financial factor by the institute can encourage individuals towards engagement in research activities.

To encourage and advocate scientific thinking in graduate, postgraduate students including teaching staff members of the institution through financial support, arousing the interest and impelling the research activities in the institute. Five years ago i.e. in 2016 the college management and administration perused on the need for research in the institute and the means and modalities were decided in the form of Research Policy which was prepared and implemented from January 2017. The policy included various research incentives for publication of research articles (In PubMed/Scopus/ WoS/ UGC-CARE indexed/Non indexed journals), providing paid leave to attend conferences (National as well as International), reimbursement of conference registration fees and travel expenses and research grants to conduct research work within the institute. Initially, a sum of Rupees Seven lakhs was allocated as a budget for research activities. With the desired motivation which was provided by this research policy, there was an increase in the research activities conducted by the faculty members, Postgraduate students, and undergraduate students. Considering the enthusiasm amongst the faculty

members the management of the institute was generous enough to increase the grants to rupees Ten lakhs in the subsequent year.

The proposals of research activities are submitted to the Research Committee/ Board of Research Studies of the institute which scrutinizes all the applications and their validity as per the guidelines of the research policy. The committee of experts analyses the research protocols for the validity and practicality of the project. Appropriate funds are allocated to the qualifying research projects. The amount which is sanctioned is transferred to the bank account of the principal investigator. Funds are transferred in parts. After every 6-month principal investigator is asked to submit a progress report to the committee, which also includes the details of expenses according to the various heads. After its analysis remaining amount is released. This ensures the check on the utilization of funds and proper conduction of research.

The outcome of the research policy of Ranjeet Deshmukh Dental College and Research Centre, Nagpur.

The success of the Research policy is shown by the number of applications every year.

Year	Approved Applications For Publication Grant	Approved Applications For Research Grants	Approved Applications For Conference Registration And Related Expenses	Total Amount of grants disbursed (in Rupees)
2022	45 Total Rs. 2,08,000/-	5 Total Rs. 3,33,000/-	National – 52 International – 1 Total – Rs. 7,67,631/-	Rs. 12,03,332/-

The Annual Report of the Internal Quality Assurance Cell (IQAC) highlights the initiatives and achievements undertaken during the academic year. To discuss the areas that needed improvement according to NAAC, the IQAC committee conducted periodic meetings with other members and NAAC criteria heads. Efforts taken by IQAC committee reflects the institution's commitment towards improving the quality of education and institutional processes.

The IQAC committee continued with the lecture series on implementation of ISO 21001 – Educational management system Part –III by Dr. Ramesh Lakhe as faculty development program. The different provisions and the supporting documents required for ISO were explained by Dr. Lakhe. To enhance the skills of non-teaching staff of the institution NBEMS CPR awareness was conducted on 6th December 2023. IQAC also focused on the promotion of research & innovation and conducted meeting with Dr. Abhijit Raut (Adjunct Faculty-Research) with all the stakeholders.

The committee is promptly working towards enhancement of teaching-learning methodologies, infrastructure, and overall institutional performance, aligning with the goals of academic excellence and continuous quality improvement with holistic development of the staff and students.

College Council

The College council met once every month to ensure Smooth working of the college. Members of college council committee along with the Dean frame policies for effective functioning and ensuring improvement in the activities of the college. Important issues pertaining to Undergraduate education, Postgraduate education, and Phd training were discussed. It was proposed to consider increase of pg seats in the department of Orthodontics & Oral & maxillofacial surgery.

Exam schedules both Internal Exams and University exams, student performance and results as well as attendance were discussed along with measures to improve the same. In addition feedback from students regarding teaching/learning was also discussed. Students issues coming up in the mentorship program are discussed.

Scientific activities such as publications, presentations and grants procured along with other achievements by faculty and students were lauded in these meetings and more such activities were encouraged.

Measures to increase the number of patients by conducting various dental diagnostic camps and Community awareness programs are discussed.

The monthly revenue and expenditure, civil, electrical and store issues are discussed and resolved.

Administrative issues of departments and college were also discussed. Grievances if any such as regarding salaries, appointments and promotions were discussed and forwarded to the management for appropriate measures. Activities of other committees were reviewed in the college council. Accreditation to various national bodies such as NAAC, ISO, NIRF was discussed.

Student's Grievance Redressal Committee

The Student's Grievance Redressal Committee constituted for the redressal of the problems reported by the students of the college. This committee provide guidelines to the students for filing a grievance, which applies to all the students who wish to file a grievance related to any academic and non-academic issues. The objectives of Students Grievance Redressal Committee are to develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the institute.

Student Grievance Redressal Committee-2023-24:

Dean	Dr. Abhay Kolte
Chairperson	Dr. Devendra Nagpal (Professor, Pedodontics)
Nodal Officer	Dr. Jayashree Joshi (Lecturer, Prosthodontics)
Member Secretary	Dr. Jaishree Chahande (Lecturer, Prosthodontics)
Member	Dr. Vandana Kokane (Reader, Conservative Dentistry)
	Dr. Ananya Hazare (Reader, Orthodontics)
	Dr. Kshitij Bang (Reader, O.M.F.S.)
Student Member	Ms. Aditi Pinjarkar (President, Student Council)
	Ms. Arham Khan Pathan (Vice-President, Student Council)
	Mr. Shrivast Jaware (General Secretary, Student Council)
	Mr. Shreyash Khandelwal (Joint Secretary, Student Council)

The committee convenes periodic meetings (once in 2 months) or as and when needed.

In academic session, 2023-24 Student's Grievance Redressal Committee has conducted Six meetings:

- First meeting was conducted on 06/07/2023 to discuss about review of 2022-23 meetings. Follow up of previous grievance of NRI Boys hostel water supply, which was resolved soon after instructions to Civil Department. One complaint received from interns of Kanchanganga. Girls Hostel regarding mess breakfast timing issue, which was forwarded to Hostel committee and resolved in their meeting conducted on 6th July 2023.
- Second meeting was conducted on 12/09/2023 regarding follow up of Kanchanganga Girls Hostel mess timing issue which was resolved in July 2023 but now old mess contractor took the charge and students faced the hygiene and manpower related problems again. This issue was forwarded to Hostel mess committee and warning was given to mess in-charge. Sensitization of 1st BDS students regarding the student grievance redressal committee and its functioning planned in October-November 2023 after orientation program.
- Third meeting was conducted on 13/12/2023 for Sensitization of 1st BDS students regarding the student grievance redressal committee and its working. Sensitization

was conducted during First BDS Dental Material Lecture on 18th December 2023.

- Fourth meeting was conducted on 07/02/2024 to add new student representatives in College Council meeting to put up students issues. Dr. Jaishree Chahande received the names of new student's representatives from Student Council and sent the information to Dean Office on 18th April 2024.
- Fifth meeting was conducted on 22/04/2024 regarding issues faced by the students in Lecture halls and common room. The proposal regarding seating arrangement/ renovation and soundproofing of lecture halls 2 and 3 sent to Management and was approved on 24th April 2024. A.O. and Supervisors informed to maintain cleanliness of all washrooms.
- Sixth meeting was conducted on 13/06/2024 for follow-up of issues raised by students in last meeting. This issue discussed in College Council Meeting held on 18th June 2024 with Store and Purchase departments. Dean informed students that proposal of Lecture halls renovation was sanctioned by management in April 2024.

Intern's Monitoring Committee

The Intern's Monitoring Committee works at an advanced level to uphold the progressive work of interns, as per the MUHS/DCI rules and regulations under the guidance of Dr. Surekha Rathod(chairperson).

VIHASA:

The program started with motivational words by the Dean, Dr. Usha Radke and Dr. Ramakrishna Sheno. Different sessions on important topics were held during the program in the course from 8th-10th August 2023. The workshop was conducted by Dr. Nirmal Channe and Miss. Pooja Sharma.

Interns Orientation Program:

Interns Orientation Program was organized by the Interns Monitoring Committee on 2nd November 2023 for the batch of 2018. Chief Guest, Hon'ble Dr. Prashant Jagtap, Interventional Cardiologist, Founder & Director, Viveka Hospital, Nagpur shared his personal clinical experiences and motivated interns for bright future ahead. He shared few tips about "Medical emergencies in Dental Office". Guest Speaker, Dr. Capt. Ritu Biyani, Founder Director, Highways... Infinite, Pune conducted Workshop on "Awareness about Breast Cancer amongst Young Generation".

Graduation Day:

Graduation Ceremony was conducted on 12th October 2023 for UG 2018 batch. The Chief Guest Dr. Sandesh Mayekar and Guest of Hon'ble Shri. Ranjeet Deshmukh (Chairman, VSPM AHE) acknowledged the achievements of the interns and motivated the students for better future ahead.

Anti Ragging Committee

- The Antiragging committee headed by the Dean of the institution Dr. Abhay Kolte.
- The Antiragging Committee convenes three times during the academic year 2023–2024 to discuss about the following topics.
 - 1 Revision of the committee which was held on 27th February 2024. It was decided to include the new student's representatives & parent's representatives.
 - 2 Secondly to discuss about the time and date of the DCI member's Anti ragging lecture for the freshly joined first year BDS students. The lecture on sensitization was held on February 16, 2024, at 11:00 a.m. The programme was presided over by the Dean, Dr. Abhay Kolte, Vice-Dean- Dr. S. R. Shenoi (Admin), Vice-Dean- Dr. Mukta Motwani (Clinical) Member Secretary- Dr. K. Venughopal Reddy.

Dr. Arun Suresh Dodamani, Principal and DCI member from ACPM Dental College, Dhule, Maharashtra gave a lecture to first and second-year BDS students. He sensitized the students about the legal aspects of ragging and the various steps that should be taken to stop it.
 - 3) In accordance with the correspondence from MUHS, DCI, and UGC, it convened in August to discuss about Antiragging Day & Week. To raise awareness about ragging, a number of events were planned. As directed by MUHS, the First and Second BDS students were involved in Antiragging Day & Week from August 12–18, 2023 with an easy writing, slogan, and logo competition were organized. On August 18, 2024, the winning students were felicitated with the prizes.
- There were no cases of ragging being reported by the institution for the academic Session 2023-2024.

The anti-ragging committee convened twice during the 2023–24 academic year to talk over issues pertaining to the DCI member's delivery of an anti-ragging lecture to newly enrolled first-year BDS students.

The lecture on sensitization was held on February 16, 2024, starting at 11:00 a.m. Dr. Arun Suresh Dodamani, the principal and DCI member of ACPM Dental College in Dhule, Maharashtra, gave a lecture to first- and second-year BDS students. He went into great detail about the legal aspects of ragging and the various steps that should be taken to stop it. Dean Dr. Abhay Kolte, Vice-Dean Dr. S. R. Shenoi (Admin), Vice-Dean Dr. Mukta Motwani (Clinical), and Member Secretary Dr. K. Venughopal Reddy oversaw the program.

Girls Hostel Committee

To provide best hostel facilities and to address the grievances of girls hostel students, separate girls hostel committee was formed in 2014 under the chairmanship of Dean Dr. Usha Radke

Dr. Abhay Kolte, Dean RDDC&RC is chairman, Principle of physiotherapy and nursing college are co-chairman of the committee. Dr. Vandana Kokane member secretary, Dr Priti Jaiswal, Dr. Neena Dongre, Dr Varsha Uttarwar along with medical, physiotherapy and nursing teachers and wardens are members of girls hostel committee.

There are separate hostels for UG and PG students with a capacity of more than 1200 accommodations. Vindyachal hostel is for all streams of PG students. Kanchanganga, Narmada, Vainganga and Hindasagar hostels are for all streams of UG students. New wing of Kanchanganga started functioning.

All different streams teachers are taking weekly rounds of hostels and mess and submitting their reports. This is also helping in curbing the ragging activities. Mess food taste and hygiene is monitored by these teachers.

There were three different messes

- 1) Compass for boys and PG students
- 2) Raghuveer for nursing and Kanchanganga
- 3) Vihan for Narmada, Vainganga and Hindasagar hostels.
- 4) Because of frequent complaints from students, now all U G and P G girl students are allotted to Compass mess. Only nursing students are allotted to Vihan mess. So now there are only two mess in campus

Mess menu is prepared in consultation with student representatives and staff. Highest quality of food and strict hygiene standards are maintained.

All hostels are equipped with water geysers, RO drinking water, water cooler, gas cylinder, visitors room and reading room. Gym, Centralized library, Canteen and Laundry facilities are also available

Total three meetings were held in this year. Civil department is currently working on seepage issue in all hostels. And beautification of hostel area is going on.

Alumni Association Committee

Sr. No.	Post Held	Name
1	President (till 30-11-23)	Dr. Usha Radke
	President (from 1-12-23)	Dr. Abhay Kolte
2	Vice – president	Dr. Smriti Jagdhari
3	Vice – president	Dr. Prasad Nichat
4	Secretary	Dr. Gagandeep Lamba
5	Jt. Secretary	Dr. Mohit Gunwal
6	Treasurer	Dr. Anuj Chandak

A total of 3 meetings were conducted in the year 2023-24 to discuss the various upcoming programs.

The first event was conducted, and Dr. Chaitanya Mahajan , an alumna of the institute enlightened the interns about “HOW TO ENTER ARMED FORCES”

Another event was a green initiative, wherein bird feeders were installed in the college campus. The food is regularly put in these feeders for the surrounding birds.

Virtual lecture was conducted by Dr. Rasika Kolte on “Way to DDS”. The speaker enlightened hundreds of students about the prospects of dentistry abroad.

Alumni of the institute organized and conducted a school check-up camp, where approximately 150 children were benefited, and oral health care tips were given for a better oral hygiene.

Alumni of the institute have donated cash and books. This amount can be used for various community awareness programs.

Curriculum and Time table Committee

The Examination and Time table Committee has been formed for the regulation and smooth conduction of Internal Assessment Examination, MUHS Practical Examination, formation of time table for theory classes and clinical posting of undergraduate courses.

Following staff members are the members of this committee

Designation	Name
Chair Person	Dr. Rajashri Kolte
Co. Chair Person	Dr. Apeksha Balpande
Member secretary	Dr. Sushil Naik
	Dr. Purva Chaudhari
	Dr. Akhil Rathi
	Dr. Varsha Uttarwar
Member	Dr. Aishwariya Akkotkar
	Dr. Anita Kahar
	Dr. Ashish Bodhade
	Dr Nivedita Nandeshwar
	Dr Rahul Dahake
Student member	

The committee meets biannually at the beginning of the terms that is in May-June and Dec-Jan. to prepare the schedule of theory classes and practical/clinical postings for the student. Meetings are also conducted as and when required. The guidelines provided by MUHS Nashik and DCI need to be considered at the time of preparation of the time table.

In addition to the above, the committee also supervises the MUHS Nashik theory exams and practical exams with regards to appointment of Centre In charge, Centre Observer, Internal Vigilance Officer and Central Assessment Programme (CAP) for theory papers of university exam. The availability of university exams external examiners and if need arises appointment of substitute external examiner is co-ordinated with the internal examiner and MUHS, Nashik.

After the completion of internal assessment examination the complete information of marks obtained in theory and practical exams is submitted to the university. Also the verification of marks with theory and practical exam papers done by the centre observer at the time of university theory exam is co-ordinated with the respective departments.

The prominent decision taken in the previous year include

- 1 MUHS CAP centre for online paper checking was developed and successful working was accomplished.
- 2 College was centre for university exams of summer and winter batches of 2nd 3rd and final BDS students which was conducted successfully.

In summation, we the committee provide a yearly blueprint of the teaching and examination activities in our institute.

Patient Care Committee

Chairperson	K. Venugopal Reddy, Professor & HOD	Dept. of Public Health Dentistry
Member Secretary	Dr. Sudhir Rawlani , Sr. Lecturer	Dept. of Public Health Dentistry.
Members	Dr. Rajlakshmi Banerjee, Reader	Dept. of Prothodontics & Crown and Bridge
	Dr. Mohit Gunwal, Sr. Lecturer	Dept. of Conservative Dentistry
	Dr. Pranao Ingole, Sr.Lecturer	Dept. of Oral & Maxillofacial Surgery
	Dr. Kamalkishor Mankar, Reader	Dept. of Periodontics
	Dr. Tapasya Karemore	Dept. of Oral Medicine & Radiology
	Dr. Sangita Bhattacharya, Lecturer	Dept. of Orthodontics
	Dr. Neena Dongre, Lecturer	Dept. of Oral Pathology
	Dr. Gagandeep Lamba, Reader	Dept. of Pedodontics
	Ms. Anjana Madavi, Social Worker	Dept. of Public Health Dentistry

Patient care committee conducted once in two months for the year 23-24 from July 2023 to June 2024. Total of 3250 feedback forms were collected from patients from JULY 2023 to JUNE 2024. The feedback form modified in line with ISO recommendations.

All feedback forms were discussed in front of the patient care committee and the probable measures were proposed by the committee members and applicable solutions were derived.

Some most common problems discussed were:

- New staff appointment for registration counter
- Up gradation in Fast Track Treatment
- Delay in patients appointments
- Maintenance of wash rooms
- Installation of online payment for paying the service charges
- Interruption in online payment platform – interruption in wifi
- Tendering of change after payment of service charges
- Behavior of staff members at OPD

The following suggestions were made by the committee:

- Implementation of Online Payment(UPI) was successfully started successfully from August 2023
- The committee directed the employees at the registration counter to be polite and be patient with the patients.
- It was decided that note sheet to be put up by the Registration counter through Dean to get the ample amount of change in initial period from account department of the institution which will be returned back at the time of closing of transaction at the end

of day.

- Requirement of staff at registration counter has been forwarded to the management and a new staff was appointed
- The AO was advised to get maintained the washrooms in the institution and to get them cleaned on frequent intervals during the day.
- The IT head was directed to improve the wi-fi services in the institution.

Mentorship Committee

Orientation program was held for first BDS undergraduate students in which they were oriented regarding curriculum, discipline, code of conduct, gender equity and mentorship program on 23/10/2023. After the White Coat ceremony, Dean Dr Usha Radke administered the oath to the fresher's. Dr Neelam Pande briefed the 1st year students and their parents regarding the functioning of the mentorship cell. Introduction of the first-year students with their respective mentors was carried out by Dr Varsha Uttarwar.

Activities carried out by Mentorship Committee in 2023 to 2024

Sr. No.	Date	Name of the activity	Details of the activity
1.	-----	Mentor-mentee interactions	Frequently as and when required online meetings were held and guidance to the mentees was given regarding their personal, academic problems and various other issues.

Sr. No.	Date	Name of the activity	Details of the activity
2.	25/8/23 11/6/24	Final BDS- 2nd PTM -1st PTM	mentors had an online interaction with the parents and there was a discussion regarding the attendance & PCT marks of the students.
3.	22/8/23 15/12/23	Third BDS- 2nd PTM -1st PTM	mentors had an online interaction with the parents and there was a discussion regarding the attendance & PCT marks of the students.
4.	10/10/23 14/12/23	Second BDS- 2nd PTM -1st PTM	mentors had an online interaction with the parents and there was a discussion regarding the attendance & PCT marks of the students.
5.	18/8/23 23/2/24 13/6/24	First BDS-2nd PTM -1st PTM -2nd PTM	mentors interacted with the parents and there was a discussion regarding the attendance & PCT marks of the students and also regarding their academic difficulties.
6.	23/10/23	First year -orientation programme	Dr Usha Radke mam administered the oath to the first-year students. 2. Dr Neelam Pande presented a talk on Mentorship programme SARATHI and the White coat ceremony and introduction of first year mentees with their respective mentors was carried out by Dr Varsha Uttarwar along with the first-year mentors.

Report of Mentoring Sessions

Sr. No.	Year	Mentoring Sessions	Students Feedback	Remarks/Suggestions
1.	2023-2024	Mentoring sessions were held with the mentees to discuss their various academic and personal problems and were motivated to excel by the mentors. Students were free to call the mentors at all times and mentors tried to resolve their issues whether academic, personal or psychological. Discussions in the mentoring sessions addressing anxiety levels, need of practicing yoga and maintaining a healthy lifestyle were carried out by the mentors.	Students were able to discuss their problems and anxiety issues with the mentors. Apprehensions of parents and safety concerns of parents were also resolved by the mentors. Mentors, encouraged them to pursue their hobbies along with improving their academic performance. Some also received guidance for improving their language and communication skills.	Mentoring sessions help in better communication between teachers and students and were helpful to the students. Further the increase in no of mentors helped in giving more personal attention to the students and interns as the student-mentor ratio was reduced to 1:10.

Gender Equity and Anti Harrasment Committee

Gender Equity and anti-Harassment Committee conducted events throughout the academic year 2023-24 related to women empowerment & Gender Equity and also for creating conducting environment at work place for both genders. The committee has made significant strides this year in promoting a safe, inclusive, and equitable environment for all members of our community. Our efforts have focused on several key areas, including awareness, education, support services, and policy development.

A Panel Discussion program on “Gender Harassment Issues at Workplace” was organized on 18th of October 2023 by Gender Equity and anti-Harrasment Committee for the staff members, PG and UG students. The Panelist for the event were Dr. Sushil Gawande, (Professor and Head, Dept of Psychiatry, NKPSIMS) Dr. Sushma Deshmukh, Gynaecologist and women activist and Mrs. Padma Chandekar (Advocate). The moderator of the program wad Dr. Chetana Makade. Dr. Pranjali Bawankar, member secretary GHEC, was the master of the ceremony and the event commenced with the welcome of the dignitaries. All the Panelist highlighted the importance of social and gender equality and different ways of combating gender related issues at workplace. All the Panelist enlightened the undergraduates about the possible ways of harassments and the different ways to combat it if happened. Dr. Sushil Gawande being a renowned Psychologist highlighted the psychological aspects related to sexual Harassment. He also answered question related to mental disturbances caused due to gender inequality and different ways to overcome it. Dr. Sushma Deshmukh who was a renowned Women activist and Gynecologist by profession answered the questions related to the forums and the authorities to be approached for reporting the gender related issues at workplaces. She also enlightened about the social dogma related to the gender inequality persisting in the society and the different ways to overcome it.

Mrs. Padma Chandekar replied to the legal approaches and the existing laws and legislature which is concerned dealing with the gender related problems and issues that may arise at workplace. She also made the audience aware of the legislative approaches and the rights of the individuals when facing gender inequality at workplace. The representatives asked the questions one by one to the concerned Panelists which were duly answered by the Panelists.

A workshop on Foster Inclusive Workplace was conducted by Gender Equity and anti-Harrasment Committee on 12th March 2024. The chief guest for the program was Dr. Sunita Dhote, Professor, Shri Ramdeobaba College of Engineering & Management, Management. Dr. S R Shenoi, Vice Dean, RDDCRC, and all the HODs, teaching and non-teaching staff members were present for the program. Dr. Jaya Joshi, member GEAHC was the master of the ceremony and the event commenced with the welcome of the Guest speaker by Dr. S R Shenoi. Dr. Mohit Gunwal, member GEAHC, RDDCRC introduced the speaker. The Speaker highlighted the inclusion diversity and also performed group activities with all the participants.

The program on the occasion of Menstrual hygiene Day was conducted by Gender Equity and anti-Harrasment Committee on 28th May 2024. The guest speaker for the event was Dr. Swati Sarda and Dr. Snehal Naphade. Dr. Pranjali Bawankar, member Secretary GHEC, was the master of the ceremony and the event commenced with the welcome of the speaker. Dr. Chetana Makade, chairperson GHC, delivered the welcome address. Dr.

Swati highlighted the importance of menstrual hygiene and eco-friendly ways of disposal of menstrual waste. She also promoted sustainable comfortable new-age menstruation and hygiene products. Dr. Snehal Naphade elaboratively explained the symptoms of Polysystic ovarian Syndrome and the ways to treat and prevent it. She also addressed all the doubts and questions of the participants regarding PCOS and menstruation myths and facts. She promoted use of menstrual cups for lowering the environmental waste burden. The lecture received overwhelming response from the faculty, interns and undergraduate students. The certificate and memento was presented to the speaker at the end of the interactive session followed by Vote of Thanks by Dr. Joshi.

These workshops, seminars, and training sessions aimed at increasing awareness about gender equity and the importance of a harassment-free environment. These initiatives have received positive feedback and have been instrumental in fostering a culture of respect and inclusivity.

All the events were successfully organized and conducted with constant support from Dean, vice-dean and members of the committee.

Coordinator	Dr. Jaishree Chahande	Lecturer
Members	Dr. Purva Choudhary	Reader
	Dr. Tapasya Karemore	Reader
	Dr. Sandeep Khandaitkar	Sr. Lecturer
	Dr. Pratik Burad	Sr. Lecturer
	Dr. Dhawal Mody	Reader
	Dr. Pritam Khorgade	Sr. Lecturer
	Dr. Rakshata Sorte	Sr. Lecturer
	Dr. Swapnil Patil	Lecturer

Frequency of meeting Quarterly

ERP committee meetings are conducted quarterly or as and when required; first meeting in every new academic session (July and January-Summer and Winter academic sessions) to plan and execute new batches updates in software and other meetings to take follow up of all department attendance updates.

- First meeting was conducted on 6th July 2023 to discuss about update of theory and clinical posting attendance of undergraduate students. It was decided to update the pending attendance soon and share in what's app group on 10th, 20th and 30th of every month. All coordinators suggested to make user friendly ERP Software and Wi-Fi facilities. Some changes in Feedback forms were suggested.
- Second meeting was conducted on 30th August 2023 to update the list of passed out students in ERP and to start 2023-24 academic session attendance.
- Third meeting was conducted on 14th December 2023 to discuss the issues faced by faculties during attendance. All intern in-charges were instructed to maintain intern's attendance in ERP. Now onwards, Dean, Dr. Abhay Kolte will be able to view ERP Dashboard and Dr. Neelam Pande will be able to access Prosthodontics, HOD Dashboard.

- Fourth meeting was conducted on 3rd April 2024 to discuss about the other features available in ERP Software as well as Biometric attendance of students during class. All coordinators and student section in-charges directed to transfer students name in current academic session by next week and update attendance in ERP.

DEPARTMENT OF ORAL MEDICINE AND RADIOLOGY

DR. MUKTA MOTWANI
Professor & Head

DR. APEKSHA BALPANDE
Professor

DR TAPASYA KAREMORE
Reader

DR. SMRITI JAGDHARI
Senior Lecturer

DR. APURVA MOHITE
Senior Lecturer

DR. RUCHA
PANDHARIPANDE
Senior Lecturer

Dr Apeksha delivered guest lecture in CME programme on “Holistic Management of Oral Pre-cancer”

Dr Rucha delivered lecture in the CDE program on occasion of “World Cancer Day”

Dr Mukta was appointed as chairperson to prepare blueprint of OMR subject by MUHS in Feb 2024

Dr Tapasya won innovations award for designing “Chair side TMJ examination and muscle activity detector tool”

Tobacco de-addiction training module conducted by department for interns on 5th & 6th Oct 2023

Dr Tapasya Karemore was awarded PHD by MUHS in May 2024

CDE programme organized by the department on “Medicolegal and forensic aspects in dentistry” in April 2024

Dr Smriti delivered lecture on the occasion of “World No tobacco day”

DEPARTMENT OF ORAL MEDICINE AND RADIOLOGY

Brief profile: The Department of Oral Medicine and Radiology deals with the diagnosis and non-surgical management of Oro-facial diseases and the oral manifestations of systemic disorders, as well as with the maxillofacial imaging. The department conducts theory lectures and practical postings for the III and IV BDS students. Post-graduation started in the subject from 2009 with the intake capacity of 3 students per year. Innovative teaching methods such as small group teaching exercise and case based group discussions is conducted for undergraduates by staff members. Open book test is also carried out for post-graduate students to upgrade their knowledge. Also, DOPS (Direct observation of procedural skills) and MiniCex (Mini clinical evaluation exercise) is carried out to develop clinical examination and radiographic skills of postgraduate students. Self directed learning (SDL) was introduced to batch of final year students in the year 2023 and it was found to be effective. The department of Oral medicine and radiology also conducts an add on course on “Clinical implications of TMJ Disorders” to enhance the skills of undergraduates. The department is now equipped with a TENS machine which is highly beneficial for pain management and rehabilitation. Oral radiology is well equipped with the conventional as well as advanced imaging facilities utilized for the Under-graduate as well as Post Graduate students. CBCT machine installed in December 2022 aids in proper diagnosis and treatment planning.

Tobacco Cessation Centre has been started in the department as per the DCI guidelines where patients are counselled for tobacco de-addiction. A Value added course on tobacco De-addiction training is conducted by the department where eminent speakers from LifeFirst foundation train around 80-100 interns every year. They are also taught about the tobacco use, products, prevalence in India and effects on general and oral health.

The department celebrated “World Cancer day” by organizing a CDE programme by distinguished speaker Dr. Aprajita Dutta. The programme witnessed enthusiastic participation of the students and faculty members. Another CDE programme on “Medicolegal and forensic aspects in dentistry” was organized by the department in April 2024. The lectures were delivered by Dr. Rupali Patil Jain and Dr. Shweta Gangotri. The insights and perspectives of the topic were highly appreciated by the attendees and programme proved to be a huge success.

Research profile of the department:

Add on Course on Simplifying Lasers, 31st August 2023 to 4th September 2023

Add on Course on Basic Oral Implantology, 20th- 23rd September 2023

“National Oral Hygiene Day Celebration Week” from 1st August to 9th August 2023

DEPARTMENT OF PERIODONTICS & IMPLANTOLOGY

Brief profile of the Department: The Department specializes in a wide range of non-surgical and surgical procedures, including Scaling and Root Planing, Flap Surgeries, Periodontal Plastic Surgeries, Sinus Augmentation, Ridge Augmentation, and Bone Grafting Procedures. It also features a dedicated Implantology section exclusively for Dental Implant procedures.

The Department successfully organized the “National Oral Hygiene Day Celebration Week” from 1st to 9th August 2023. The week included various engaging events and activities for students, teaching staff, and non-teaching staff. Key events included Nukkad Natak, Poster Painting Competition, Debate Competition, Awareness Talks, Quiz Competition, and a Dental Checkup & Treatment Camp, all of which had enthusiastic participation in large numbers.

The Department successfully conducted an Add-On Course on Simplifying Lasers from 31st August 2023 to 4th September 2023 and Basics Implantology from 20th- 23rd September 2023, providing participants with in-depth knowledge and hands-on training in these advanced dental techniques. The program was designed to enhance clinical skills and broaden the scope of practice for students in Periodontics. The course was well-received by attendees, who appreciated the blend of theoretical knowledge and practical experience. It aimed to equip participants with the skills required for modern dental practice, ensuring improved patient care and treatment outcomes.

Additionally, the Department is recognized by MUHS, Nashik, as one of the centres for Ph.D. programs in Periodontics and Implantology, with three Professors from the Department serving as approved Ph.D. guides.

Research profile of the department:

Institutional Ethics Committee Record:

Sr No	Principle investigator	Guide/ Co-investigator	Topic	Approval Number And Date of IEC presentation	Status (Ongoing/ Completed/ Abandoned)
1	Rubal Bhigode	Dr Pranjali Bawankar	Evaluation and comparison of anti-microbial efficacy of a novel herbal chewing gum containing neem extracts with doxycycline and chlorhexidine on periodontal pathogens: An in-vitro microbiological study	13. 10. 2023 IEC/ VSPMDCRC/08/2023	Completed
2	Dr. Shivani Koli	Dr. Surekha Rathod	Evaluation of osteostimulating effect of a Novel composite graft- An invitro study	07. 12. 2023 EC/NEW/ INST/2020/687	In Progress
3	Dr. Vrushali Lathiya	Dr. Abhay Kolte	Formulation, invitro characterization and analysis of a novel Doxycycline Hyclate gel for its antimicrobial activity against periodontal pathogens	07. 12. 2023 IEC/RDDC&RC/ Dean/11/2023	In Progress
4	Dr. Dhanashree Ghoderao	Dr. Abhay Kolte	Assessment of Meteorin-like protein and Visfatin level in serum and saliva in patients with hypothyroidism with and without type 2 diabetes: An observational study	07. 12. 2023 IEC/RDDC&RC/ Dean/12/2023	In Progress

Sr No	Principle investigator	Guide/ Co-investigator	Topic	Approval Number And Date of IEC presentation	Status (Ongoing/ Completed/ Abandoned)
5	Dr. Abhay Kolte	Dr. Rajashri Kolte Dr. Siddhi Sonare	Sinus membrane Thickness in Periodontally healthy and Stage III Periodontitis and its correlation with anatomical parameters using CBCT.	12/1/2024 IEC/RDDC&RC/ Dean/ 20/2024	In Progress
6	Dr. Abhay Kolte	Dr. Rajashri Kolte Dr. Tushar Mohla	Comparative evaluation of the Periodontal status, Xerostomia severity and Oral Health Related Quality of Life in Controlled and Uncontrolled Type 2 Diabetic patients.	12/1/2024 IEC/RDDC&RC/ Dean/21/2024	In progress
7	Dr Surekha Rathod	Dr Shivani Koli	Comparative evaluation of 5% melatonin gel in combination with platelet rich fibrin and platelet rich fibrin alone in the treatment of intrabony defect: A clinico- radiographic study	15. 04. 2024 IEC/RDDC&RC/ Dean/02/2024	In progress
8	Dr Surekha Rathod	Dr Shivani Koli	Comparative evaluation of hydroxyapatite nanoparticles with and without herbal gel in the treatment of periodontal intrabony defects: A clinico-radiographic study	13. 04. 2024 IEC/RDDC&RC/ Dean/01/2024	In progress
9	Dr Pranjali Bawankar	Dr Abhay Kolte	Evaluation of clinical efficacy of locally delivered vitamin D3 gel as an adjunct to non surgical periodontal therapy in the treatment of periodontitis	13. 04. 2024 IEC/RDDC&RC/ Dean/02/2024	Completed
10	Preshita Barai Yash Bhakkad	Dr Surekha Rathod	Comparative evaluation of effect of herbal based mouthwash in gingivitis patients: A randomized controlled trial	13. 04. 2024 IEC/ VSPMDCRC/07/2024	Completed
11	Shalaka Bodhankar	Dr Neha Deshpande	Assessment of periodontal health status in patients having metabolic syndrome(MetS)- A cross sectional study	13. 04. 2024 IEC/ VSPMDCRC/20/2024	Completed
12	Dr. Kamalkishor Mankar	Dr. Anushree Matre	Comparative evaluation of waist, circumference and waist to height ratio in periodontally healthy, Stage III/IV periodontitis with and without type 2 Diabetes Mellitus	14/5/2024 IEC/RDDC&RC/ Dean/32/2024	In Progress
13	Dr. Abhay Kolte	Dr. Pranjali Bawankar	Evaluation and comparison of patient reported outcome measures and anti-plaque effectiveness of a novel herbal chewing gum containing neem extracts with placebo chewing gum: A double blind crossover, clinical trial.	14/5/2024 IEC/RDDC&RC/ Dean/18/2024	Completed
14	Dr. Akanksha Mahalle	Dr. Surekha Rathod	Assessment of Learning using Specialized developed theater and role play for Dental Undergraduate students in Dental Institution	25/6/2024 IEC/ VSPMDCRC/11/2024	In Progress

DEPARTMENT OF PEDIATRICS & PREVENTIVE DENTISTRY

Pediatric and Preventive Dentistry department focuses not only on the dental treatment but also on comprehensive oral health care needs of a child from infancy to adulthood. We provide comprehensive, therapeutic as well as preventive care to all children including those requiring special care. Most of the dental diseases and problems have their origin in childhood and hence we focus on nipping the disease in the bud itself by providing quality preventive care and also by educating and motivating the child as well as the parents regarding importance of oral health.

Latest development since last year July 2023 to Jun 2024:

Conducted

- 1 Children's / Pedodontist's day celebration was organised from 14th November to 14th December 2023. Various activities like greeting card making competition, nukkad natak, quiz competition for parents and interns, screening, caries risk assessment and sealant placement was done at various Anganwadi, school camps.
- 2 Christmas day celebration

Research Profile of department:

Table I: Ongoing research projects/ short-terms studies /thesis

Sr. No.	Date of Receipt By IEC	Name of Principal Investigator	Name of Co Investigator	Title of Research Project	Time Period	Date of Approval By IEC	IEC No.	Status of Progress
1	07.12.23	Dr.Samiksha Dharampuria	Dr Devendra Nagpal. Dr. Prabhat Singh	Comparative evaluation of virtual reality and conventional distraction in management of gag reflex during maxillary impression in 5-8 year children: Randomized controlled trial.	6 months	11-12-23	IEC/RDDC &RC/ Dean/PG/31/ Nove-2023	Ongoing
2	19.04.22	Dr. Jayu Gawande	Dr. Gagandeep Lamba Dr Purva Chaudhari	Comparative evaluation of antimicrobial efficacy of Silver Diamine Fluoride (SDF), Atraumatic Restorative Technique (ART) and Silver Modified Atraumatic Restorative Technique (SMART) on Streptococcus mutans count in children: An In Vivo Study	18 months	28-4-22	VSPM DCRC/06/2020	Ongoing
3	15-4-24	Dr. Jayu Gawande	Dr. Gagandeep Lamba Dr Purva Chaudhari	Interrelation between acquired oral microflora of infant during 48hrs of life: A microbial comparative study	6 months	15-4-24		Ongoing
3	07.12.23	Dr. Vaishnavi Game	Dr. Devendra Nagpal.	Comparative evaluation of trans papillary injection technique as a substitute for palatal infiltration during extraction of maxillary primary molars in children aged 5-8 years- A randomized controlled.	6 months	11-12-23	IEC/RDDC &RC/ Dean/PG/32/ Nove-2023	Ongoing
4	21.03.2023	Dr. Saniya Budhani	Dr. Gagandeep Lamba Dr. Prabhat Singh	Comparative evaluation of retention of pit and fissure sealant with and without application of 38% silver diamine fluoride in 6-8 year old children: An in vivo study.	18 months	27-3-23	VSPM/DCRC/ IEC/23/2023	Ongoing
5	21.8.23	Dr. Saniya Budhani	Dr. Gagandeep Lamba Dr. Prabhat Singh	Comparative evaluation of clown therapy and conventional behavioural management technique on dental anxiety and post operative pain in 6-8 years old children – An experimental study.	6 months	21-8-23	VSPM/DCRC/ /20	Ongoing
6	21.03.2023	Dr. Juili Dorlikar	Dr Devendra Nagpal. Dr. Pooja Rathi	Comparative evaluation of instrument time, quality of obturation and post-operative pain using Kedo S Plus and Pro AF baby gold rotary file systems for primary molar pulpectomies- Randomized controlled trial.	18 months	27-3-23	VSPM/DCRC/ PG/IEC/22/2023	Ongoing

7	21.2.2024	Dr. Juili Dorlikar	Dr Devendra Nagpal. Dr. Pooja Rathi	Effect of preoperative use of virtual reality goggles on dental anxiety in 6-8 year old children during restorative treatment: Double blinded randomized controlled trial.	6 months	11-12-23	IEC/RDDC &RC/ Dean/PG/30/ Nove-2023	Ongoing
8	21.03.2023	Dr. Abhilasha Dugad	Dr Purva Chaudhari Dr. Ayushi Gurharikar	Effect of frequently consumed beverages on colour stability and surface roughness of zirconia and bioflex crowns: An in vitro study	18 months	27-3-23	VSPM/DCRC/ PG/IEC/22/2023	Ongoing
8	06.01.2024	Dr. Abhilasha Dugad	Dr. Purva Chaudhari Dr. Ayushi Gaurharikar	Comparative evaluation of effectiveness of conventional and game based teaching on knowledge and oral hygiene status of children in 7-11 year old	6 months	17-1-24	IEC/RDDC&RC/ PG/IEC/2023/39	ongoing

Table II: Completed Research projects, short term studies and thesis:

Sr. No.	Date of Receipt By IEC	Name of Principal Investigator	Name of Co Investigator	Title of Research Project	Time Period	Date of Approval By IEC	IEC No.	Status of Progress
1.	28.4.22	Dr.Samiksha Dharampuria	Dr Devendra Nagpal. Dr. Prabhat Singh	Comparative evaluation of efficacy of lidocaine gel and lidocaine ice button as topical anesthesia for maxillary buccal infiltration technique in children age 6-10 years – randomized cross-over study	18 months	28-4-22	IEC/ VSPMDC&RC /17/22	Completed
2.	28.04.22	Dr. Vaishnavi Game	Dr. Devendra Nagpal.	Evaluation of the effect of different duration of light curing silver diamine fluoride, on the precipitation of silver and fluoride ions, penetration depth and dentine hardness in deciduous teeth- An in vivo study	18 months	28-4-22	VSPM's/ DCRC/ IEC/35/2021	Completed

Achievements: Resource faculty:

Dr. Neelma Pande

- Guest speaker at GDCH. Mumbai on innovative teaching and learning.

Dr. Saeed Deshmukh

- Speaker at DET workshop at Mumbai on competency based education

Dr. Akhil Rathi

- Speaker at CDE program on Maxillofacial defect

Publications: 30, 7 copyrights and 1 patent

CDE's organized:-

- State level conference on full mouth rehabilitation on 21st April 2024
- International webinar on anterior esthetics by Prof Dr. Seow Liang on 19/1/24
- Best Department Award received on 26th Jan 2024 at Ranjeet Deshmukh Dental College and Research Center, Nagpur.

Advanced endodontic workshop 2024

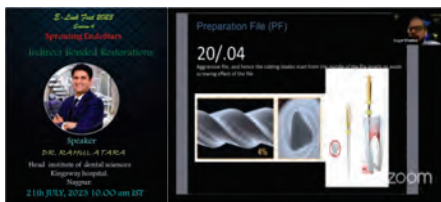

1st National Student Exchange program 2023 Conducted by Department of Conservative dentistry

Workshop on 'Mastering Class II Resin Composite Restoration'

CDE on 'Theory Examination Simplified'

Organised free link fest one hour one month

Tree plantation , Walkathon organized on occasion of ENDO-CONS week

Judging IACDE Excellence Awards 2023

PhD degree award at MUHS Nashik

DEPARTMENT OF CONSERVATIVE DENTISTRY AND ENDODONTICS

Brief profile of the Department: Department of Conservative Dentistry and Endodontics, is endowed with committed, earnest and experienced faculty all of whom along with the student are devoted to provide a holistic contemporary restorative treatment to the community. Their primary focus is also to spread cognizance among the masses in prevention of oral diseases and rehabilitation of diseased or loss tooth structure. A centre of excellence is also being developed to acquaint and upskill the post graduate students about contemporary endodontic treatment modalities. Department also runs a structured programme to upskill the interns to face the newer challenges in clinical practice. The department is equipped with hard tissue laser, endodontic microscopes and bleaching unit along with all other latest equipment to provide world class treatment modalities at reasonable costs to all. Research activities are promoted in the department and have sufficient publications, copyrights, patent publications and books contribution from the faculty and postgraduates. E link fest, one of its kind webinar series everyday for one hour in the month of July was conducted with the theme of ‘E link fest with Sprouting Endostar’ with 1086 registrations from all over the country. Department also organized “SPRUZ-UP Guiding professional Gen X’ a value added course for overall personality development of the students.

Latest development since last year July 23 to June 24:

- 1st National Student Exchange program 2023 Conducted by Department of Conservative dentistry and Endodontics, RDDCRC, Nagpur.
- IACDE Appreciation Awarded to the Department of Conservative dentistry and Endodontics, RDDCRC, Nagpur for successful Conduction of Student Exchange program 2023 at 38th IACDE National conference 2023, 1st to 3rd Dec 2023, Kolkata
- Department of Conservative dentistry and Endodontics holds 12 Study Published in Various National & International Publication, 5 Copyrights and 3 Patent
- Dr. Chetana Makade, Awarded Phd & She is Editor & Author for Book Futuristic Trends in Medical Sciences
- Online Webinar Series E-Link Fest 2022 Season 4 from 1st – 30th July 2023.
- Organized advanced endo workshop.
- Organized “SPRUZ-UP Guiding professional Gen X’ a value added course for overall personality development of the students.
- Organized ‘Evolve’ an add-on course for interns to upgrade their professional skills

DEPARTMENT OF PUBLIC HEALTH DENTISTRY

Brief profile of the department: Department of Public Health Dentistry is one of the nine specialities of Dentistry which is mainly concerned with prevention and control of dental diseases and promoting dental care through organized community efforts. This specialty works towards disseminating the awareness about dental health through the organization of dental outreach activities among the public so as to enable the people to seek early intervention and protect their oral health. The department is also focussing on providing comprehensive dental care to the needy patients.
