Curriculum Feedback Summary (2024–2025)

Ranjeet Deshmukh Dental College & Research Centre, Nagpur

Feedback from various stakeholders highlighted the following key suggestions:

- **Students** recommended more time for Anatomy, increased use of interactive and practical learning methods, inclusion of sports and physical activities, and more English-speaking sessions.
- **Teachers** suggested establishing skill labs, introducing simulation-based training, updating the curriculum with recent advances, and incorporating modern topics like digital dentistry, CAD-CAM, and practice management.
- **Professionals, Alumni, and Employers** did not provide specific remarks this year.

Overall, the feedback emphasizes the need for a more **practical, skill-oriented, and updated curriculum** that also supports students' holistic development.

If yes, please mention what changes you suggest

- Incorporation of Clinical Skills enhancing and learning skill labs
 - Need of simulation training
 - Provision to get involved in complications associated with procedures and their management
 - Curriculum can be upgraded to include more recent advances
 - Relevant contemporary skills should be included in all subjects like digital dentistry, CAD CAM, practise management etc
-
